Unit description

This unit aims to develop the skills of history students in order to support advanced study of the Latin language. It continues the systematic analysis of grammar from previous units and explores the concepts of historical development and diversity in the classical and medieval periods. The unit also aims to help students develop their skills in reading original Latin literary and documentary texts, and analyse the significance of Latin for the study of relevant ancient cultures.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>
