Co-badged status AFIN8039
Unit description This unit covers the principles, theory and techniques of portfolio management. Study of this unit provides a basis for the effective management of investment portfolios, as well as an understanding of the limitations of techniques commonly applied to problems of portfolio construction and performance evaluation.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

- ULO1:** Explain the behavioural and statistical assumptions underlying the tools and techniques of portfolio management and have developed an awareness of their rationale and limitations.
- ULO2:** Recognise the economic principles of arbitrage and market efficiency.
- ULO3:** Apply key factor pricing models to practical problems in portfolio construction and performance evaluation.
- ULO4:** Generalise the sources of modelled risk and approaches to managing such exposures.
- ULO5:** Critically review and appraise the literature in portfolio management.

General Assessment Information

The following late penalty clause for written assignments should be inserted in this section.

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55 pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for Special Consideration.

Mid Session Test

Assessment Type 1: Quiz/Test

Indicative Time on Task: 15 hours

Due: Week 8

Weighting: 20%

An in-class mid-session test lasting 90 minutes will be held in week 8 to give students practice with a summative task and to provide feedback on their progress midway through the session.

Individual Assignment

Assessment Type 1: Project

Indicative Time on Task: 20 hours

Due: Week 10

Weighting: 30%

Students will conduct quantitative and qualitative analysis on a finance scenario/problem and produce a report on the findings.

Final Examination

Assessment Type 1: Examination

Indicative Time on Task: 20 hours

Due: University Examination Period

Weighting: 50%

A two-hour exam will be held during the University Examination Period.

1 Assessment Type 1: If you need help with your assignment, please contact: • the academic teaching staff in your unit for guidance in understanding or completing this type of assessment • the Writing Centre for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment
