Unit description

This unit introduces quantitative methods used throughout business, economics, and finance. Emphasis is placed on developing skills to analyse real-world problems, using logical thinking and mathematical techniques. The techniques covered may include functions, simultaneous equations, financial mathematics, calculus and probability. The problems studied can include pricing decisions, optimal production, planning, economic policy questions and financial portfolio selection. By emphasising the practical application of mathematical principles, this unit equips students with the necessary quantitative literacy to navigate complex problems in business, economics, and finance.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <a href="https://www.mq.edu.au/study/calendar-of-dates">https://www.mq.edu.au/study/calendar-of-dates</a>

## **Learning Outcomes**

On successful completion of this unit, you will be able to:

**ULO1:** Identify and describe the role of mathematics and quantitative techniques within economics, business and finance.

**ULO2:** Identify and practice the quantitative skills required to work with mathematical models in economics, business, finance and the economics of sustainability issues.

**ULO3**: Effectively communicate quantitative analysis and relevant associated

information.

## **General Assessment Information**

#### **Late Assessment Submission Penalty (written assessments)**

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern. For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/ presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.

#### **Assessment Tasks**

Name	Weighting	Hurdle	Due
Tutorial quizzes	25%	No	Weeks 4, 6, 8, 10 and 12
Assignment	35%	No	Week 9 Monday 11:55pm
Final examination	40%	No	During the University Examination Period.

## **Tutorial quizzes**

Assessment Type 1: Quiz/Test Indicative Time on Task 2: 15 hours Due: Weeks 4, 6, 8, 10 and 12

Weighting: 25%

Students will be given a 25-minute quiz in weeks 4, 6, 8, 10 and 12. The quizzes are of equal value (5% each).

On successful completion you will be able to:

• Identify and practice the quantitative skills required to work with mathematical models in economics, business, finance and the economics of sustainability issues.

## Assignment

Assessment Type 1: Problem set Indicative Time on Task 2: 30 hours

Due: Week 9 Monday 11:55pm

Weighting: 35%

Problem sets in Week 7

On successful completion you will be able to:

• Identify and practice the quantitative skills required to work with mathematical models in economics, business, finance and the economics of sustainability issues.

#### Final examination

Assessment Type 1: Examination Indicative Time on Task 2: 30 hours

Due: During the University Examination Period.

Weighting: 40%

A two-hour examination, consisting of multiple choice, numerical, short and long answer questions, will be held during the University Examination Period.

On successful completion you will be able to:

- Identify and describe the role of mathematics and quantitative techniques within economics, business and finance.
- Effectively communicate quantitative analysis and relevant associated information.

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- · the Writing Centre for academic skills support.

## **Delivery and Resources**

Please refer to iLearn for details of Delivery and Resources.

## **Policies and Procedures**

Macquarie University policies and procedures are accessible from Policy Central (https://policie

<sup>&</sup>lt;sup>1</sup> If you need help with your assignment, please contact:

<sup>&</sup>lt;sup>2</sup> Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

s.mq.edu.au). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- Academic Appeals Policy
- Academic Integrity Policy
- · Academic Progression Policy
- Assessment Policy
- · Fitness to Practice Procedure
- · Assessment Procedure
- Complaints Resolution Procedure for Students and Members of the Public
- Special Consideration Policy

Students seeking more policy resources can visit Student Policies (https://students.mq.edu.au/support/study/policies). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

To find other policies relating to Teaching and Learning, visit Policy Central (https://policies.mq.e du.au) and use the search tool.

#### **Student Code of Conduct**

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: https://students.mq.edu.au/admin/other-resources/student-conduct

#### Results

Results published on platform other than <u>eStudent</u>, (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in <u>eStudent</u>. For more information visit <u>ask.mq.edu.au</u> or if you are a Global MBA student contact globalmba.support@mq.edu.au

## **Academic Integrity**

At Macquarie, we believe <u>academic integrity</u> – honesty, respect, trust, responsibility, fairness and courage – is at the core of learning, teaching and research. We recognise that meeting the expectations required to complete your assessments can be challenging. So, we offer you a range of resources and services to help you reach your potential, including free <u>online writing and</u> d maths support, academic skills development and wellbeing consultations.

## Student Support

Macquarie University provides a range of support services for students. For details, visit <a href="http://students.mq.edu.au/support/">http://students.mq.edu.au/support/</a>

## **The Writing Centre**

The Writing Centre provides resources to develop your English language proficiency, academic writing, and communication skills.

- Workshops
- Chat with a WriteWISE peer writing leader
- Access StudyWISE
- Upload an assignment to Studiosity
- · Complete the Academic Integrity Module

The Library provides online and face to face support to help you find and use relevant information resources.

- · Subject and Research Guides
- Ask a Librarian

## Student Services and Support

Macquarie University offers a range of Student Support Services including:

- IT Support
- · Accessibility and disability support with study
- Mental health support
- Safety support to respond to bullying, harassment, sexual harassment and sexual assault
- · Social support including information about finances, tenancy and legal issues
- Student Advocacy provides independent advice on MQ policies, procedures, and processes

## Student Enquiries

Got a question? Ask us via AskMQ, or contact Service Connect.

## IT Help

For help with University computer systems and technology, visit <a href="http://www.mq.edu.au/about\_us/">http://www.mq.edu.au/about\_us/</a> offices\_and\_units/information\_technology/help/.

When using the University's IT, you must adhere to the <u>Acceptable Use of IT Resources Policy</u>. The policy applies to all who connect to the MQ network including students.
