Unit description

Marketing communications are an integral part of an organization's overall marketing activities and play a critical role in determining its success in the market. Today, marketing professionals face new opportunities, but also significant challenges in communicating with consumers in an evolving media landscape and dynamic interactions between consumers and brands.

This unit develops students' skills to apply marketing communications theories to analyse firms' marketing communications. Students will develop a marketing communication campaign and communicate marketing communications ideas professionally to potential audiences.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Apply marketing communications theories to analyse firms' marketing communications.

ULO2: Develop a marketing communication campaign.

ULO3: Communicate marketing communications ideas professionally to potential audiences.

General Assessment Information

Late Assessment Submission Penalty (written assessments) Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).

Assessment Tasks

Name	Weighting	Hurdle	Due
Advertisement Development	30%	No	Week 8
IMC Campaign Development	50%	No	Week 6 and Week 13
Practice-based activities	20%	No	Week 3-Week 13

Advertisement Development

Assessment Type ¹: Presentation

Indicative Time on Task ²: 25 hours

Due: **Week 8**

Weighting: **30%**

In this individual assessment students develop a creative advertisement to demonstrate critical thinking. Students are required to select one of the choices of product or service offered to them, apply marketing communication theories and design a creative advertisement. Students have to develop a video presenting their process and finished advertisement product. Length: 10 minutes video presentation

On successful completion you will be able to:

- Apply marketing communications theories to analyse firms' marketing communications.
- Communicate marketing communications ideas professionally to potential audiences.

IMC Campaign Development

Assessment Type ¹: Project

Indicative Time on Task ²: 33.5 hours

Due: **Week 6 and Week 13**

Weighting: **50%**

This is an individual assignment that requires students to prepare a marketing communications plan in response to a brief. This assignment targets the development of students' problem solving, research and analytical skills. Length: 2000 words.

On successful completion you will be able to:

- Develop a marketing communication campaign.
- Communicate marketing communications ideas professionally to potential audiences.

Practice-based activities

Assessment Type ¹: Participatory task

Indicative Time on Task ²: 19.5 hours

Due: **Week 3-Week 13**

Weighting: **20%**

Practice-based activities give students the opportunity to work in a group and individually to share their theoretical knowledge on marketing communications methods and experiences.

On successful completion you will be able to:

- Apply marketing communications theories to analyse firms' marketing communications.
- Communicate marketing communications ideas professionally to potential audiences.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

MKTG8002 will be delivered as a blended learning experience with a combination of prerecorded lectures, online activities and 2-hour weekly workshops for activities. All the course materials, including lecture recordings, required readings as well as assessment briefs and support, are available on the iLearn site for this unit. Please refer to iLearn for details.
