Unit description

This unit is for students with little or no prior knowledge of the language. During the unit students will be introduced to Polish grammar, reading, writing and conversation. The unit uses a variety of delivery modes such as printed materials, recorded CDs (in mp3 format), and computer-mediated communication. A voluntary on-campus session will be held where students will have the opportunity to meet their lecturer and fellow students, to revise material before the exam and practice speaking skills and pronunciation. Interstate students will find the revision material in their online unit.
