Delivery and Resources

Classes

- There are 3 hours of face-to-face teaching per week consisting of a 3 hour seminar.
- Students are required to attend all classes during session.

Required and Recommended Texts and/or Materials

Required Texts

CPA Program: Advanced Taxation, Deakin University, January 2014 (provided to you by CPA Australia)

Recommended Texts

Students will also need to refer to legislation throughout the course. No legislation reference is prescribed, but students would find useful

- CCH Core Tax Legislation and Study Guide 2014, or
- ATP Fundamental Tax Legislation 2014.

Alternatively, students could access tax legislation at www.comlaw.gov.au.

Additional references

The following books are not required to be purchased, but students would benefit from reference to any of the following as additional reading.

- 2014 Australian Taxation Law, Woellner, Barkoczy, Murphy, Evans and Pinto, CCH
- 2014 Master Tax Guide, CCH, or
- 2014 Australian Tax Handbook, ATP.

Students would also benefit from referring to the 23rd edition of the Australian Taxation Study Manual (Nethercott, Richardson and Devos) which provides questions and suggested solutions to tax problems for the 2012/13 tax year.

Many of the recommended texts and additional references are available in the Library and for purchase from the Macquarie University Co-op Bookshop.

Unit Web Page

- Course material is available on the learning management system (iLearn).
- There is no web page for this unit.

Teaching and Learning Activities

The unit is broken up into seminars in which students and the lecturer discuss readings, case studies and assigned questions on specified taxation topics that correlate with the 13 modules. Each seminar will be held on scheduled dates for 3 hours. In between these seminars students are required to work through and complete nominated modules in the CPA program, as well as work on assessment tasks.

In preparation for a seminar, students should work through the relevant modules in the CPA program, as well as work on assessment tasks and self-assessment tests.

Each seminar will consist of a mixture of activities based around the CPA program modules. These will include:

- Discussion of case studies, examples and questions relating to the previous week's module, and
- Review of the main concepts and content, and their practical application, arising from the current module.

Technology Used and Required

Students are expected to have:

- Proficiency in Word, Excel and Powerpoint
- Knowledge of Macquarie University's online system for downloading materials
- Knowledge of the library resource database for accessing additional research material.
