Unit description

The twentieth century exploded with dance forms. Modern dance was born, with its emphasis on the expressive capacities of the individual. The dances of other cultures became increasingly available yet remained enticingly exotic. Women threw away their corsets and moved freely. Rigorous physical practices created super human bodies. Social dance went through wild changes born on the tides of musical revolution. Dance became an extreme sport. The flowering of contemporary dance forms revealed our freedoms, our desires, our contacts with the exotic and a burning desire to be physically powerful. This unit provides extensive theoretical and embodied knowledge of some of the major dance forms of the twentieth and twenty-first centuries. Teaching is in both lecture and workshop format.

Assessments protocols are flexible offering students a choice of performance or essay for their major project. This unit is suitable for students from diverse backgrounds interested in dance.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

General Assessment Information

Attendance

Attendance at all unit components is compulsory. Students are not allowed to miss a class for reasons to do with their own paid work or due to responsibilities concerning other units. Students must notify the convenor via email immediately if there are any problems.

Group Exercises

Students are expected to work in groups for Tutorials. Students in this unit must be willing to work within a group and to assume responsibility for the group's process. Students are encouraged to wear comfortable clothes and shoes for practical exercises and workshops.

Independent Work

Students are expected to work independently outside of scheduled tutorial times when they are working on their performance experiments. DANC101 students will need to do their own reading of relevant texts outside class time.

Assessment Tasks

Name	Weighting	Due
<u>PARTICIPATION REPORTS #1 & #2</u>	30%	Week 4 & Week 9
<u>DESCRIPTIVE WRITING TASK</u>	20%	Week 6
<u>PRESENTATION and REFLECTION</u>	20%	Week 12 (in Tutorials)
<u>PERFORMANCE or ESSAY</u>	30%	Week 13

PARTICIPATION REPORTS #1 & #2

Due: **Week 4 & Week 9**

Weighting: **30%**

PARTICIPATION REPORT #1 Due Date: Week 4 (Friday 20 March, 5pm)

PARTICIPATION REPORT #2 Due Date: Week 9 (Friday 8 May, 5pm)

This Assessment has two rationales and relates to the final Presentation and Report:

1. Engagement with course content will be demonstrated through a regular journal writing practice. Lecture quizzes, reading reflections, writing tasks and observations from physical

exercises must be entered into the journal assessment continuously throughout the semester.

2. Students will choose a dance form to practice regularly as an independent practice. It must be a style of dance unfamiliar to them. Students will record their observations and discoveries in this on-going journal.

Students are expected to commit 9 hours a week to this unit, including Lectures and Tutorials. The written reports as part of this assessment will be submitted in 2 stages with a mark being given for each submission.

* The written reports must be submitted via Turnitin and will be reviewed and graded by the convenor who will provide feedback accessible by the students via the My Submissions link in ilearn.

Report Assessment Criteria:

- a) Evidence of sustained, developing and insightful practice
- b) Ability to define and articulate the essential qualities of the chosen dance form
- c) Ability to translate embodied experience into original, evocative and descriptive language
- d) Evidence of methodology including physical and theoretical methods and critical reading.

* A methodology for this assessment will be discussed in class and full details can be found on ilearn.

On successful completion you will be able to:

- • Recognise a broad knowledge of 20th and 21st Century dance forms and practices
- • Identify a variety of dance artists and practices, especially within an Australian context
- • Apply research skills, particularly through engagement with embodied research
- • Demonstrate skills of academic writing, analysis, description, conceptualisation and reflection
- • Apply and evaluate individual relationship to dance practice and performance

DESCRIPTIVE WRITING TASK

Due: **Week 6**

Weighting: **20%**

Due Date: Week 6 (Friday 3 April, 5pm)

Students will write a 1,000 word piece of descriptive writing on a prescribed live performance or choose a recorded piece of dance/movement from the audio/visual collection available online through the Macquarie Library. This needs to be a new and unfamiliar dance form to the student.

* The Descriptive Writing Task must be submitted via Turnitin and will be reviewed and graded by the convenor who will provide feedback accessible by the students via the My Submissions link in ilearn.

Assessment Criteria:

- a) Evidence of thoughtful witness (innocent eye/non-judgmental)
- b) Ability to identify and articulate essential qualities of the dancing body
- c) Correct writing structure and techniques: correct grammar, spelling, accurate referencing (APA)

* A methodology for this assessment will be discussed in class and full details can be found on ilearn.

On successful completion you will be able to:

- Identify a variety of dance artists and practices, especially within an Australian context
- Apply research skills, particularly through engagement with embodied research
- Demonstrate skills of academic writing, analysis, description, conceptualisation and reflection

PRESENTATION and REFLECTION

Due: **Week 12 (in Tutorials)**

Weighting: **20%**

Due Date: Week 12 (Tuesday 26 May, in Tutorials)

Students are required to present a 2-3 minute oral presentation in class outlining the key findings of their independent practice and embodied research project.

* A hard copy written reflection on the student's independent practice including references to course content and journal entries (800-1,000 words) must be submitted in class following the presentation.

* The Written Reflection must also be submitted via Turnitin and will be reviewed and graded by the convenor who will provide feedback accessible by the students via the My Submissions link in ilearn.

Presentation and Reflection Assessment Criteria:

- a) Evidence of sustained, developing and insightful practice
- b) Ability to define and articulate the essential qualities of the chosen dance form
- c) Ability to translate embodied experience into original, evocative and descriptive language
- d) Evidence of methodology including physical and theoretical methods and critical reading.

* A methodology for this assessment will be discussed in class and full details can be found on ilearn.

On successful completion you will be able to:

- Identify a variety of dance artists and practices, especially within an Australian context

- Apply research skills, particularly through engagement with embodied research
- Demonstrate skills of academic writing, analysis, description, conceptualisation and reflection
- Apply and evaluate individual relationship to dance practice and performance
