Unit description

This unit is concerned with the teaching of Economics, Commerce and Business Studies in the secondary school. It provides an overview of recent syllabus developments and various approaches to teaching. The unit is closely related to TEP401 and TEP402. At the conclusion of the unit students are expected to show considerable expertise in the development and teaching of content and skills selected from the relevant syllabus documents. Please consult the Secondary TEP Guide for a list of prerequisite prior studies.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

Design and implement logical, sequential and structured lessons with clear learning goals using knowledge of the NSW syllabus documents and other curriculum requirements of the Education Act. (Aligned with the National Professional Standards 2.2, 2.3, 3.1)

Select and organise subject content and resources in ways which address student learning outcomes. (Aligned with the National Professional Standards 2.2, 3.2, 3.4)

Apply research-based strategies for building depth of understanding in Commerce, Economics and Business Studies. (Aligned with the National Professional Standards 6.2)
Demonstrate knowledge of students' varied backgrounds and abilities and cater for these needs by differentiating the instruction. You will have an understanding of a range of strategies including the use of ICT, classroom discussions, group work and effective use of questioning/listening to foster interest and support learning. (Aligned with the National Professional Standards 1.5, 3.3, 6.2)

Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities

Demonstrate a variety of strategies to develop rapport with all students and encourage supportive learning environments where students feel safe to risk full participation. This includes a working knowledge of approaches for managing student behaviour and establishing a positive classroom climate. (Aligned with the National Professional Standards 4.1-4.4)

Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)

Apply a range of evidence-based strategies for improving literacy and numeracy skills in Commerce, Stage 6 Economics and Business Studies. (Aligned with the National Professional Standards 2.5)

Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Assessment Tasks

Name	Weighting	Due
<u>Assessment Task 1</u>	5%	Various
<u>Assessment Task 2</u>	10%	Week 2
<u>Assessment Task 3</u>	35%	Week 3 onwards
<u>Assessment Task 4</u>	50%	Week 10

Assessment Task 1

Due: **Various**

Weighting: **5%**

Pecha Kucha presentation - Commerce overview

On successful completion you will be able to:

- Select and organise subject content and resources in ways which address student learning outcomes. (Aligned with the National Professional Standards 2.2, 3.2, 3.4)
- Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities

Assessment Task 2

Due: **Week 2**

Weighting: **10%**

Evaluate a peers' lesson plan

On successful completion you will be able to:

- Select and organise subject content and resources in ways which address student learning outcomes. (Aligned with the National Professional Standards 2.2, 3.2, 3.4)
- Apply research-based strategies for building depth of understanding in Commerce, Economics and Business Studies. (Aligned with the National Professional Standards 6.2)
- Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities
- Apply a range of evidence-based strategies for improving literacy and numeracy skills in Commerce, Stage 6 Economics and Business Studies. (Aligned with the National Professional Standards 2.5)
- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Assessment Task 3

Due: **Week 3 onwards**

Weighting: **35%**

Direct Instruction lesson

On successful completion you will be able to:

- Design and implement logical, sequential and structured lessons with clear learning goals using knowledge of the NSW syllabus documents and other curriculum requirements of the Education Act. (Aligned with the National Professional Standards 2.2, 2.3, 3.1)
- Select and organise subject content and resources in ways which address student learning outcomes. (Aligned with the National Professional Standards 2.2, 3.2, 3.4)
- Apply research-based strategies for building depth of understanding in Commerce, Economics and Business Studies. (Aligned with the National Professional Standards 6.2)
- Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities
- Demonstrate a variety of strategies to develop rapport with all students and encourage supportive learning environments where students feel safe to risk full participation. This includes a working knowledge of approaches for managing student behaviour and establishing a positive classroom climate. (Aligned with the National Professional Standards 4.1-4.4)
- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Assessment Task 4

Due: **Week 10**

Weighting: **50%**

Designing an assessment for learning task

On successful completion you will be able to:

- Design and implement logical, sequential and structured lessons with clear learning goals using knowledge of the NSW syllabus documents and other curriculum requirements of the Education Act. (Aligned with the National Professional Standards 2.2, 2.3, 3.1)
- Demonstrate knowledge of students' varied backgrounds and abilities and cater for these

needs by differentiating the instruction. You will have an understanding of a range of strategies including the use of ICT, classroom discussions, group work and effective use of questioning/listening to foster interest and support learning. (Aligned with the National Professional Standards 1.5, 3.3, 6.2)

- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)
- Apply a range of evidence-based strategies for improving literacy and numeracy skills in Commerce, Stage 6 Economics and Business Studies. (Aligned with the National Professional Standards 2.5)
- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Delivery and Resources

About this unit

This unit is concerned with the teaching of Economics, Commerce and Business Studies in the secondary school. It provides an overview of recent syllabus developments and various approaches to teaching. The unit is closely related to [TEP401](#) and [TEP402](#) Professional Experience in Secondary School 1 and 2. At the conclusion of the unit students are expected to show considerable expertise in the development and teaching of content and skills selected from the relevant syllabus documents.

Classes and Unit Content

Students are expected to attend a three-hour class per week. The classes are a combination of lecture, tutorial and workshop and are characterised by a high level of student participation.

It is a requirement that students attend all workshops.

Changes in response to student feedback

On the basis of the feedback supplied by students tasks have been split into smaller units with a greater emphasis on process rather than the final product this year.

Required and Recommended texts and/or materials

The following is a list of recommended reading for this unit. In addition students will need to

access all of the commercially available contemporary texts for Commerce, Business Studies and Economics.

The readings for each tutorial are listed on the above table and can be accessed through iLearn and the library's E-reserve catalogue. It is expected that you will have read this material *before* each week's tutorial and that the relevant readings will be *brought with you* to the weekly workshops.

Required texts (this text should be brought with you each week):

Killen, R. (2005) *Programming and Assessment for Quality Teaching and Learning*. Southbank Victoria: Thompson Social Science Press. Special Reserve: **LC1031 .K55 2005**

Killen, R. (2008) *Effective Teaching Strategies: Lessons from Research and Practice (4th ed.)*. Thompson: Melbourne. Note: the third edition is in the library **LB 1025.3.K55**.

Highly recommended:

Kleeman, G. (2005) *Topographic mapping skills for secondary students*. Cambridge University Press: Melbourne. **This text provides an excellent introduction to the essential skills in Geography.**

It is *essential* that each student bring a hard copy of the *Commerce, Business Studies and Economics syllabus documents* with them to each workshop. These documents can be downloaded from <http://www.boardofstudies.nsw.edu.au/>.

Relevant institute of Teachers and Board of Studies documents that you will need for tutorials

It is *essential* that each student brings a hard copy of the *Commerce, Business Studies and Economics syllabus documents* with them to each workshop. These documents can be downloaded from <http://www.boardofstudies.nsw.edu.au/>.

You should also bring a hard copy of the National Professional Standards for Teachers to each tutorial.

Teaching and Learning Strategies

This unit will be taught through the adoption of various methodologies: lecture and tutorial including workshop. Participation in small group work is an aspect of most classes.

Students are expected to critique different teaching methodologies and to have an awareness of current developments in education. There will also be set readings and activities for each week's

tutorial.

Unit Assessment and Grading

Rationale for modes of assessment

The assessment tasks in this unit are designed to provide students with the opportunity to apply the theory and skills that they have developed during the weekly workshops. The tasks address a range of skill areas and enable students to demonstrate their level of competency against the National Professional Standards for Teachers.

Completing this unit satisfactorily

Quality of work produced

It is a requirement of this course that all assignments are completed on time and to a satisfactory standard. In order to pass this unit students are required to demonstrate knowledge, skills, values and attitudes consistent with the National Professional Standards for Teachers. Students who have not demonstrated these benchmarks will be required to resubmit assignment work until these minimum standards are met.

Attendance

Tutorial attendance is compulsory and a requirement of the unit. Any absence needs to be explained with appropriate medical documentation.

Unit Schedule

Please refer to the full unit outline on iLearn

Policies and Procedures

Macquarie University policies and procedures are accessible from [Policy Central](#). Students should be aware of the following policies in particular with regard to Learning and Teaching:

Academic Honesty Policy http://mq.edu.au/policy/docs/academic_honesty/policy.html

Assessment Policy <http://mq.edu.au/policy/docs/assessment/policy.html>

Grading Policy <http://mq.edu.au/policy/docs/grading/policy.html>

Grade Appeal Policy <http://mq.edu.au/policy/docs/gradeappeal/policy.html>

Grievance Management Policy http://mq.edu.au/policy/docs/grievance_management/policy.html

Disruption to Studies Policy http://www.mq.edu.au/policy/docs/disruption_studies/policy.html *The Disruption to Studies Policy is effective from March 3 2014 and replaces the Special Consideration Policy.*

In addition, a number of other policies can be found in the [Learning and Teaching Category](#) of Policy Central.

Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: https://students.mq.edu.au/support/student_conduct/

Results

Results shown in *iLearn*, or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit ask.mq.edu.au.

Macquarie University has a range of policies that relate to learning and teaching, including assessment, unit guide and special consideration. They can be found at Policy Central (<http://www.mq.edu.au/policy/>).

General assessment information

The final grade awarded for the unit is based on the four assessment tasks. Tutorial attendance is compulsory.

Some general policies on assessment are:

- **All** assignments will be lodged both in HARDCOPY during the relevant tutorial (or through the assignment box in the School Office if late) and in SOFTCOPY through iLearn. The soft copy of your assignment should be attached as a Microsoft Word or PDF file. Assignments must be submitted by 9pm on the due date.
- **All** submissions must be typed/word processed (or presented using appropriate spreadsheet/graphics software) and both the cover sheet and the feedback sheet must be attached. The feedback sheet provides additional information on the criteria used to assess the assignment.
- **Extensions** will be granted only in special circumstances by the convenor, Extensions will only be given if the application has been made BEFORE the due date. A penalty of one sub-grade per day will apply for late assignments for which extensions have not been granted.

There are ONLY two possible grounds for extension a) illness and b) misadventure (circumstances beyond the student's control, not pressure of accumulated assignments). Professional experience is not an acceptable reason for extensions. If you wish to apply for an extension on the grounds of illness or some other cause beyond your control, you must complete the relevant form and forward it to the unit convenor prior to the due date. The application form is available on iLearn.

If you have been granted an extension and cannot submit by the revised date, you must apply in writing for a further extension within seven days of the revised date. If you do not do this, it will

be assumed that you have withdrawn from the unit. This could result in a 'failure' grade being awarded. You cannot submit your assignment after the marked assignments have been returned. In exceptional circumstances, you may be given an alternative topic.

You must keep a photocopy and electronic copy of assignments. In all but exceptional circumstances, claims about "lost" assignments cannot be made where these copies cannot be produced.

You can appeal against the grade given for an assignment if you feel that your work has not been graded appropriately. The appeal process is as follows:

- An initial appeal must be made to the unit convenor **within one week** of the marked assignment being returned.
- The unit convener will discuss the assignment/class test with you, informing you of errors and shortcomings of the work.
- You can request that the assignment be re-marked by an independent marker and you must provide a clean copy, together the original assignment for this purpose.
- If you are not satisfied, you may appeal to the Head of Department.

Macquarie uses letter grades (HD, D, Cr, P and F) to report student achievement at unit level. The following descriptors indicate the level of performance expected for each grade. In addition to the letter grade at the end of semester students are given a numerical grade that indicates the standards achieved in the course.

Student Support

Macquarie University provides a range of support services for students. For details, visit <http://students.mq.edu.au/support/>

Learning Skills

Learning Skills (mq.edu.au/learningskills) provides academic writing resources and study strategies to improve your marks and take control of your study.

- [Workshops](#)
- [StudyWise](#)
- [Academic Integrity Module for Students](#)
- [Ask a Learning Adviser](#)

Student Wellbeing

Macquarie University provides a range of Academic Student Support Services. Details of these services can be accessed at <http://www.student.mq.edu.au>.

Special Consideration Policy

The University is committed to equity and fairness in all aspects of its learning and teaching. In stating this commitment, the University recognises that there may be circumstances where a student is prevented by unavoidable disruption from performing in accordance with their ability.

This policy supports students who experience serious and unavoidable disruption such that they do not reach their usual demonstrated performance level.

http://mq.edu.au/policy/docs/special_consideration/policy.html for further advice.

Advice for International Students

Macquarie International is the first point of contact for international students.

<http://www.international.mq.edu.au/> See also <http://www.international.mq.edu.au/studentsservices/index.aspx>

International students can make individual or small group appointments to see the Study Skills Adviser, or drop-in for quick questions to E3A, Level 1. Don't forget to bring your unit outlines with you to your appointment.

Study Skills Support Unit

Assistance is provided through a range of programs for students.

See: <http://www.mq.edu.au/studyskillssupport/>

http://www.ling.mq.edu.au/support/writing_skills/index.htm

Writing Skills:

Unit staff are not expected to help you with basic writing advice. Further, in fairness to other students, unit staff will not provide you with information and advice concerning assessments, which is not readily available to all students in the unit.

Macquarie University offers a number of courses and services to help students with writing problems, whether they be first or second language speakers of English. If you find writing difficult, you are advised to:

- Contact the Writing Skills Adviser, Centre for Open Education, X5B. Tel: 9850 7470.
- Contact Sue Spinks, Writing Skills Coordinator, Department of Linguistics, W6A531.
Telephone: 9850 8770

- See also: Peters, P. (1985). Strategies for student writers. Brisbane: John Wiley.

Student Services and Support

Students with a disability are encouraged to contact the [Disability Service](#) who can provide appropriate help with any issues that arise during their studies.

Student Enquiries

For all student enquiries, visit Student Connect at ask.mq.edu.au

IT Help

For help with University computer systems and technology, visit <http://informatics.mq.edu.au/help/>.

When using the University's IT, you must adhere to the [Acceptable Use Policy](#). The policy applies to all who connect to the MQ network including students.

Technology used in this unit

The technology used is the Macquarie University student website and Turnitin. You will need access to a computer and the internet. There are a number of computers in the Computer Labs, C5C Rooms 211, 213 and 217. Most local libraries are also now linked to the Internet.

The web page for this unit can be found at: <http://learn.mq.edu.au/> on the iLearn site.

Students will need to use their student username and password to log in and then choose the unit title from the menu. **For IT support refer to <http://informatics.mq.edu.au/help/>**

Graduate Capabilities

Creative and Innovative

Our graduates will also be capable of creative thinking and of creating knowledge. They will be imaginative and open to experience and capable of innovation at work and in the community. We want them to be engaged in applying their critical, creative thinking.

This graduate capability is supported by:

Learning outcomes

- Design and implement logical, sequential and structured lessons with clear learning goals using knowledge of the NSW syllabus documents and other curriculum requirements of the Education Act. (Aligned with the National Professional Standards 2.2, 2.3, 3.1)
- Select and organise subject content and resources in ways which address student learning outcomes. (Aligned with the National Professional Standards 2.2, 3.2, 3.4)
- Apply research-based strategies for building depth of understanding in Commerce, Economics and Business Studies. (Aligned with the National Professional Standards 6.2)
- Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities
- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)
- Apply a range of evidence-based strategies for improving literacy and numeracy skills in Commerce, Stage 6 Economics and Business Studies. (Aligned with the National Professional Standards 2.5)

Assessment tasks

- Assessment Task 1
- Assessment Task 4

Capable of Professional and Personal Judgement and Initiative

We want our graduates to have emotional intelligence and sound interpersonal skills and to demonstrate discernment and common sense in their professional and personal judgement. They will exercise initiative as needed. They will be capable of risk assessment, and be able to handle ambiguity and complexity, enabling them to be adaptable in diverse and changing environments.

This graduate capability is supported by:

Learning outcomes

- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)
- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Assessment task

- Assessment Task 4

Commitment to Continuous Learning

Our graduates will have enquiring minds and a literate curiosity which will lead them to pursue knowledge for its own sake. They will continue to pursue learning in their careers and as they participate in the world. They will be capable of reflecting on their experiences and relationships with others and the environment, learning from them, and growing - personally, professionally and socially.

This graduate capability is supported by:

Learning outcome

- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Discipline Specific Knowledge and Skills

Our graduates will take with them the intellectual development, depth and breadth of knowledge, scholarly understanding, and specific subject content in their chosen fields to make them competent and confident in their subject or profession. They will be able to demonstrate, where

relevant, professional technical competence and meet professional standards. They will be able to articulate the structure of knowledge of their discipline, be able to adapt discipline-specific knowledge to novel situations, and be able to contribute from their discipline to inter-disciplinary solutions to problems.

This graduate capability is supported by:

Learning outcomes

- Design and implement logical, sequential and structured lessons with clear learning goals using knowledge of the NSW syllabus documents and other curriculum requirements of the Education Act. (Aligned with the National Professional Standards 2.2, 2.3, 3.1)
- Select and organise subject content and resources in ways which address student learning outcomes. (Aligned with the National Professional Standards 2.2, 3.2, 3.4)
- Apply research-based strategies for building depth of understanding in Commerce, Economics and Business Studies. (Aligned with the National Professional Standards 6.2)
- Demonstrate knowledge of students' varied backgrounds and abilities and cater for these needs by differentiating the instruction. You will have an understanding of a range of strategies including the use of ICT, classroom discussions, group work and effective use of questioning/listening to foster interest and support learning. (Aligned with the National Professional Standards 1.5, 3.3, 6.2)
- Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities
- Demonstrate a variety of strategies to develop rapport with all students and encourage supportive learning environments where students feel safe to risk full participation. This includes a working knowledge of approaches for managing student behaviour and establishing a positive classroom climate. (Aligned with the National Professional Standards 4.1-4.4)
- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)
- Apply a range of evidence-based strategies for improving literacy and numeracy skills in Commerce, Stage 6 Economics and Business Studies. (Aligned with the National Professional Standards 2.5)

Assessment tasks

- Assessment Task 1
- Assessment Task 2
- Assessment Task 3
- Assessment Task 4

Critical, Analytical and Integrative Thinking

We want our graduates to be capable of reasoning, questioning and analysing, and to integrate and synthesise learning and knowledge from a range of sources and environments; to be able to critique constraints, assumptions and limitations; to be able to think independently and systemically in relation to scholarly activity, in the workplace, and in the world. We want them to have a level of scientific and information technology literacy.

This graduate capability is supported by:

Learning outcomes

- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)
- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Assessment tasks

- Assessment Task 2
- Assessment Task 3
- Assessment Task 4

Problem Solving and Research Capability

Our graduates should be capable of researching; of analysing, and interpreting and assessing data and information in various forms; of drawing connections across fields of knowledge; and they should be able to relate their knowledge to complex situations at work or in the world, in order to diagnose and solve problems. We want them to have the confidence to take the initiative in doing so, within an awareness of their own limitations.

This graduate capability is supported by:

Learning outcomes

- Apply research-based strategies for building depth of understanding in Commerce, Economics and Business Studies. (Aligned with the National Professional Standards 6.2)
- Demonstrate a variety of strategies to develop rapport with all students and encourage

supportive learning environments where students feel safe to risk full participation. This includes a working knowledge of approaches for managing student behaviour and establishing a positive classroom climate. (Aligned with the National Professional Standards 4.1-4.4)

- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)

Effective Communication

We want to develop in our students the ability to communicate and convey their views in forms effective with different audiences. We want our graduates to take with them the capability to read, listen, question, gather and evaluate information resources in a variety of formats, assess, write clearly, speak effectively, and to use visual communication and communication technologies as appropriate.

This graduate capability is supported by:

Learning outcomes

- Design engaging assessment for learning sequences that align curriculum, instruction, assessment and reporting. (Aligned with the National Professional Standards 2.3, 5.1-5.4)
- Critically reflect and use feedback from assessment data, observation, peer evaluation and lecturer evaluation to enhance learning outcomes. (Aligned with the National Professional Standards 3.6)

Assessment tasks

- Assessment Task 1
- Assessment Task 2
- Assessment Task 3
- Assessment Task 4

Engaged and Ethical Local and Global citizens

As local citizens our graduates will be aware of indigenous perspectives and of the nation's historical context. They will be engaged with the challenges of contemporary society and with knowledge and ideas. We want our graduates to have respect for diversity, to be open-minded, sensitive to others and inclusive, and to be open to other cultures and perspectives: they should have a level of cultural literacy. Our graduates should be aware of disadvantage and social justice, and be willing to participate to help create a wiser and better society.

This graduate capability is supported by:

Learning outcomes

- Demonstrate knowledge of students' varied backgrounds and abilities and cater for these needs by differentiating the instruction. You will have an understanding of a range of strategies including the use of ICT, classroom discussions, group work and effective use of questioning/listening to foster interest and support learning. (Aligned with the National Professional Standards 1.5, 3.3, 6.2)
- Demonstrate knowledge of and ability to implement specific strategies for teaching and supporting: (Aligned with the National Professional Standards 1.3, 1.4, 2.2) a. Aboriginal and Torres Strait Islander students b. Students from diverse linguistic, cultural and socioeconomic backgrounds c. Students with disabilities

Assessment task

- Assessment Task 4

Socially and Environmentally Active and Responsible

We want our graduates to be aware of and have respect for self and others; to be able to work with others as a leader and a team player; to have a sense of connectedness with others and country; and to have a sense of mutual obligation. Our graduates should be informed and active participants in moving society towards sustainability.
