Delivery and Resources

Unit Requirements and Expectations

Students must achieve an overall mark of 50% or above to complete this unit satisfactorily.

Extensions and Special Considerations

If you anticipate any difficulty in attending class for a scheduled test it is important that you contact us as early as possible. Please avoid asking for extensions as missing deadlines complicates the work of markers and puts you behind. If you have to ask for an extension or the opportunity to reschedule the date of a test please request it before the deadline, and only request the extension if you face serious crises that can be documented in some way (e.g. with a medical certificate). ‘Getting behind with your work’ or ‘I ran out of time’ are not excuses. If you miss a class test due to illness or a serious crisis that can be documented, you can re-schedule and sit the test at a later time. Please see us as soon as possible to organise a time and place to sit a supplementary test.

Sitting a supplementary test without valid documentation will result in a penalty of 2% of the test mark per day, including weekends.

Special Consideration Policy  http://www.mq.edu.au/policy/docs/special_consideration/policy.html

Applying for Special Consideration  Students applying for Special Consideration circumstances of three (3) consecutive days duration, within a study period, and/or prevent completion of a formal examination must submit an on-line application with the Faculty of Arts. For an application to be valid, it must include a completed Application for Special Consideration form and all supporting documentation.
