General Assessment Information

Assessment items

There are four assessment items for this unit. All items must be submitted and a combined mark of at least 50% must be achieved in order for you to be awarded a passing grade for the unit.

Submission

All written assessment items are to be submitted via Turnitin on the unit iLearn site.

Assessment items must be submitted on or before the due date. Late submissions will attract a penalty of 5% of the available marks for each calendar day late.

Requesting an extension

In extenuating circumstances, students may apply to the unit convener for an extension to the assignment due date. Reasons must be documented through the Disruption to Study form accessible through **Ask.mq.edu.au** and supported (e.g., a doctor's certificate in the case of illness).

Note that:

- **Students MUST communicate with the Unit Convener prior to submitting their request through Ask.mq.edu.au.** Please do this via the dialogue communication tool on the iLearn site.

- Extensions will only be granted in receipt of the completed form submitted through ask.mq.edu.au, plus documentation.
- It is essential that you plan ahead and organise your study time effectively. Poor time management is not grounds for an extension.
- Extensions are usually not granted on or after the due date. Should sudden illness or misadventure prevent you from submitting on the due date, please contact the unit convener immediately.
- Students cannot submit an assignment once assessed work is returned to other students.

All assessment tasks must be completed in order to be eligible for a passing grade.

There is no opportunity for resubmission of assessment items for this unit.

Academic honesty

The University defines plagiarism in its rules: "Plagiarism involves using the work of another person and presenting it as one's own." Plagiarism is a serious breach of the University's rules and carries significant penalties. For more information, please see "Academic Honesty" Policy Central (<http://www.mq.edu.au/policy/>)

The policies and procedures explain what plagiarism is, how to avoid it, the procedures that will be taken in cases of suspected plagiarism, and the penalties if you are found guilty. Penalties may include a deduction of marks, failure in the unit, and/or referral to the University Discipline Committee

Assessment

Grades for assessment items (and the final grade for the unit) will be allocated according to the following:

There is demonstration of substantial understanding of fundamental concepts in the field of study and the ability to apply these concepts in a variety of contexts; convincing argumentation with appropriate coherent justification; communication of ideas fluently and clearly in terms of the conventions of the discipline.

Pass

Provides sufficient evidence of the achievement of learning outcomes. There is demonstration of understanding and application of fundamental concepts of the field of study; routine argumentation with acceptable justification; communication of information and ideas adequately in terms of the conventions of the discipline. The learning attainment is considered satisfactory or adequate or competent or capable in relation to the specified outcomes.

Assessment Task 1:

Planning for and with the Creative Arts

Mindmap

For this task you are to plan a unit of inquiry using Dinham's six-pointed star template (Chapter 5 from the textbook, 'Delivering Authentic Arts Education'). Using the topic 'Australia and me', the unit will focus on exploring this topic through the creative arts. If you are enrolled in the B.Ed, you will need to consult relevant curriculum and syllabus documents from both the new K-10 syllabuses from the Australian Curriculum and the K-6 syllabuses from NSW. Your planning template should demonstrate your developing understanding of content areas relevant to the topic, eg 'People and Places' from the Geography syllabus, or 'Living World' from the 'Science syllabus'. Your template should reflect your developing understanding of the language used in these documents to describe content, knowledge, understanding and skills, values and attitudes and learning outcomes for students.

If you are enrolled in the B.Teach you should consult the Early years Learning Framework (EYLF). Your template should reflect your developing understanding of the Principles, Practices and Outcomes of this document.

Please look at the example provided by Dinham on p. 129 of the textbook, titled 'Emotional kaleidoscope' in preparation for this task. You should also read Part 1 (Chapters 1-5) and Part 3 of the textbook

The six-pointed star template from Dinham and her sample mindmap can be found under Assessments on ilearn

Your paper should include:

- Title of Inquiry: Australia and me
- Content focus (K-6) or (Learning Outcomes Birth-5)
- Stage of Learning (K-6) or 0-2yrs or 3-5 yrs
- A brief written description on why you think teaching in and through the Creative Arts will create deep and engaging learning for students.
- A planning mindmap using the 'six pointed star' template from Dinham (2014, p.128)

Weighting: 20%

Due date: 8th April, 2016, 11pm

Length: 500 words

Criteria for assessment

- Unit of inquiry content areas and learning expectations are appropriate for chosen Stage of Learning.
- Planning shows meaningful integration of all areas of the Creative Arts, as well as other relevant KLAs/Learning Outcomes into the unit of inquiry

- Written expression is clear and grammatically correct, including correct APA style referencing

On successful completion you will be able to:

- Demonstrate knowledge, skills and understandings in each of the four art form areas.
- Demonstrate knowledge of the major research-based pedagogies associated with the learning and teaching of each arts discipline in 0-12 settings.
- Demonstrate a developing knowledge of materials, resources and repertoire in each art form which reflects a range of cultural traditions.
- Plan, implement, and evaluate learning/lesson sequences based on curriculum outcomes in the Creative Arts for 0-5 and K-6 Educational settings
- Demonstrate an understanding of the relationship of the Creative Arts to other Key Learning Areas/learning outcomes in the Primary school/ Early Years Learning Framework
