## Late Submission Policy

### Late assignment policy – International Studies

Assignments are compulsory and must be submitted on time. As a general rule, extensions will not be granted without a valid and documented reason (e.g. medical certificate). Late submissions will be penalised by 5% for each day (including weekends) the assignment task is late. No assignments will be accepted after assignments have been corrected and feedback has been provided. Assignment tasks handed in early will not be marked and returned before the due date.
