TASK 1: INDEPENDENT RESEARCH

Due: **Mon 25th September 5.00pm**

Weighting: **30%**

“Teachers’ identities are central to their beliefs, values and practices that guide their actions within and outside the classroom” (Sutherland, Howard & Markauskaite, 2010, p. 455).

Discuss the concept of professional identity and its connection to being an educator in the twenty-first century.

For your discussion, reflect upon the EDUC399 lectures, readings and the workshops, and use independent research.

You must refer to at least 5 academic, scholarly references, which will provide your discussion with appropriate and current research-based evidence.

On successful completion you will be able to:

- 1. Demonstrate integrated knowledge and understanding of the key principles, theories and concepts used in the discipline of Education (tasks 1, 2, 3,)
- 2. Discuss in an informed manner the significant issues in Educational studies through drawing upon their critical examination of current research, policies and practices in the field (tasks 1, 2, 3)
- 3. Identify, synthesise, and evaluate the main content, skills, and capabilities acquired in their development of a professional capability (tasks 1, 3)
- 3. Identify, synthesise, and evaluate the main content, skills, and capabilities acquired in their development of a professional capability (tasks 1, 3)
- 4. Reflect critically on their learning achievements and apply these to their educational vision, their transition to careers, and to their professional development plans (tasks 1, 2, 3)
- 5. Demonstrate personal competency, knowledge and confidence in their communicative skills in a variety of modes and forms including ICT (tasks 1, 2, 3).

TASK 2: TUTORIAL PRESENTATIONS

Due: **Thursday 26th October**

Weighting: **30%**

In pairs, you will be providing an 8-10 minute engaging tutorial presentation based on a critical identification of the key discourse/ideology/idea about education within a current media text. Your presentation will be supported by maximum 3 powerpoint slides, and you are to include a title slide in addition with both names clearly shown on it in your individual submission of the slides through turnitin.

On successful completion you will be able to:

- 1. Demonstrate integrated knowledge and understanding of the key principles, theories and concepts used in the discipline of Education (tasks 1, 2, 3,)

- 3. Identify, synthesise, and evaluate the main content, skills, and capabilities acquired in

their development of a professional capability (tasks 1, 3)

- 5. Demonstrate personal competency, knowledge and confidence in their communicative skills in a variety of modes and forms including ICT (tasks 1, 2, 3).

CREATIVE AND CRITICAL RESPONSE

Due: **Tuesday, 14th November**

Weighting: **40%**

You have been invited to give the occasional address at the University's Graduation ceremony for Education. This is a celebration of all you have achieved and an opportunity for you to share your understanding of the field of Education.

Prepare a 5–6 minute address to mark this significant graduation occasion.

Present your speech and create an audio file of this for online submission.

Include in your ONLINE submission a copy of the text of your speech. This will be considered as the 'framework' for your oral presentation.

On successful completion you will be able to:

- 1. Demonstrate integrated knowledge and understanding of the key principles, theories and concepts used in the discipline of Education (tasks 1, 2, 3,)
- 2. Discuss in an informed manner the significant issues in Educational studies through drawing upon their critical examination of current research, policies and practices in the field (tasks 1, 2, 3)
- 3. Identify, synthesise, and evaluate the main content, skills, and capabilities acquired in their development of a professional capability (tasks 1, 3)
- 3. Identify, synthesise, and evaluate the main content, skills, and capabilities acquired in their development of a professional capability (tasks 1, 3)
- 4. Reflect critically on their learning achievements and apply these to their educational vision, their transition to careers, and to their professional development plans (tasks 1, 2, 3)
- 5. Demonstrate personal competency, knowledge and confidence in their communicative skills in a variety of modes and forms including ICT (tasks 1, 2, 3).

Delivery and Resources

The unit is offered internally and externally. Internal students receive a 1-hour live lecture (weeks 3-7) and one workshop per week and the on campus sessions cover the tutorial material.

Students are expected to attend all tutorials or on campus sessions as they are workshop-based.

Students are strongly encouraged to attend all lectures.

Lectures are digitally recorded and are available on the unit webpage but will only be posted after the lecture. Lecture slides will also be available through iLearn.

On Campus Days

There are two on-campus sessions for external students. You are expected to attend both sessions and rolls will be taken.

Unit Schedule

There are 3 Modules for this unit:

1. People and Communities

Lectures: Thursday 17 August to Thursday 14 September

Tutorials: Thursday 17 August to Thursday 14 September

2. Contemporary Perspectives and Policies

Tutorials: Weeks 8 and 9

3. Professional Contexts and Change

Tutorials: Weeks 10 to 13 inclusive

Engaged and Ethical Local and Global citizens

As local citizens our graduates will be aware of indigenous perspectives and of the nation's historical context. They will be engaged with the challenges of contemporary society and with knowledge and ideas. We want our graduates to have respect for diversity, to be open-minded, sensitive to others and inclusive, and to be open to other cultures and perspectives: they should have a level of cultural literacy. Our graduates should be aware of disadvantage and social justice, and be willing to participate to help create a wiser and better society.
