Unit description
This unit explores the social construction of terrorism and violent extremism through a consideration of supporting dynamics including ideology, forms of communication, financing, criminal networks, and logistics. Contemporary and evolving case studies will provide students with the opportunity to explore the consequences of these dynamics on the development, evolution and dissolution of terrorist organisations and violent extremists. Consideration of how these dynamics relate to counterterrorism operations will also be made. The unit compliments and builds upon both PICX802 and PICX818. All enrolment queries should be directed to Open Universities Australia (OUA): see www.open.edu.au

Delivery and Resources

DELIVERY AND RESOURCES

UNIT REQUIREMENTS AND EXPECTATIONS

- You should spend an average of 12 hours per week on this unit. This includes listening to lectures prior to seminar or tutorial, reading weekly required materials as detailed in iLearn, participating in iLearn discussion forums and preparing assessments.
- Internal students are expected to attend all seminar and tutorial sessions, and external students are expected to make significant contributions to on-line activities.
- In most cases students are required to attempt and submit all major assessment tasks in order to pass the unit.

REQUIRED READINGS

- The citations for all of the required readings for this unit are available to enrolled students through the unit iLearn site, and at Macquarie University's library site. Electronic copies of required readings may be accessed through the library or will be made available by other means.

TECHNOLOGY USED AND REQUIRED

- Computer and internet access are essential for this unit. Basic computer skills and skills in word processing are also a requirement.
- This unit has an online presence. Login is via: https://ilearn.mq.edu.au
- Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.
- Information about IT used for this unit is available at https://students.mq.edu.au/it_services/

SUBMITTING ASSESSMENT TASKS

- All text based assessment tasks are to be submitted, marked, and returned electronically. This will only happen through the unit iLearn site.
- Assessment tasks must be submitted as a MS Word document by the due date.
- Most assessment tasks will be subjected to a 'Turnitin' review as an automatic part of the submission process.
- The granting of extensions is subject to the university's Disruption Policy. Extensions will not in normal circumstances be granted by unit conveners or tutors, but must be lodged through Disruption to Study: https://students.mq.edu.au/study/my-study-program/special-consideration/disruption-to-studies

LATE SUBMISSION OF ASSESSMENT TASKS

- If an assignment is submitted late, 5% of the available mark will be deducted for each day (including weekends) the paper is late.
- For example, if a paper is worth 20 marks, 1 mark will be deducted from the grade given for each day that it is late (i.e. a student given 15/20 who submitted 4 days late will lose 4 marks = 11/20).
- The same principle applies if an extension is granted and the assignment is submitted later than the amended date.

WORD LIMITS FOR ASSESSMENT TASKS

- Stated word limits include footnotes and footnoted references, but not bibliography, or title page.

- Word limits can generally deviate by 10% either over or under the stated figure.
- If the number of words exceeds the limit by more than 10%, penalties will apply. These penalties are 5% of the awarded mark for every 100 words over the word limit. If a paper is 300 words over, for instance it will lose 3 x 5% = 15% of the total mark awarded for the assignment. This percentage is taken off the total mark, i.e. if a paper was graded at a credit (65%) and was 300 words over, it would be reduced by 15 marks to a pass (50%).

REASSESSMENT OF ASSIGNMENTS DURING THE SEMESTER

- Macquarie University operates a Grade Appeal Policy in cases where students feel their work was graded inappropriately: http://student.mq.edu.au/support/complaints_appeals/appeals/grade_appeals/
- Conforming to the Grade Appeal Policy, individual works are not subject to regrading

STAFF AVAILABILITY

- Department staff will endeavor to answer student enquiries in a timely manner. However, emails or iLearn messages will not usually be answered over the weekend or public holiday period.
- Students are encouraged to read the Unit Guide and look at instructions posted on the iLearn site before sending email requests to staff.
