Assessment Tasks

Name	Weighting	Hurdle	Due
<u>1. Assessed Coursework</u>	25%	No	Weeks 4, 7, 8, 10 and 11
<u>2. Assignment</u>	15%	No	Week 12
<u>3. Online quiz</u>	10%	No	Week 13
<u>4. Final Examination</u>	50%	No	Examination period

1. Assessed Coursework

Due: **Weeks 4, 7, 8, 10 and 11**

Weighting: **25%**

Task overview and marking criteria

Additional questions will be posted on iLearn at the beginning of weeks commencing 3, 6, 7, 9 and 10. These five (5) assessed coursework will be collected in **Weeks 4, 7, 8, 10 and 11** respectively; marks will be awarded based on accuracy. Each assessment will contribute **5%** to your overall assessment for this unit. You will receive feedback from your lecturer in the following week.

Submission

You are required to submit your assessed coursework in your registered class at the **commencement** of the class. No assessments will be accepted after 15 minutes from commencement of the class.

Extension

No extensions will be granted. Students who did not submit the assessed coursework in their registered class will be awarded a mark of zero for the assessed coursework, except for cases in which an application for Disruption to Studies is made and approved.

Penalties

Zero for non submission in registered class.

On successful completion you will be able to:

- Evaluate the application and basis of selected accounting standards
- Apply accounting standards including the Conceptual Framework in the preparation of company financial statements
- Analyse and integrate conceptual and technical corporate accounting knowledge

2. Assignment

Due: **Week 12**

Weighting: **15%**

Students will be allocated into **groups** based on class lists current as at week 5. Details of the group allocations will be posted on iLearn before mid-session break.

Detailed requirements for all group presentations including duration of your presentation, written materials required to be submitted to accompany your presentation etc. will also be posted on iLearn at that time.

Marks for the assignment will be awarded for both group and individual efforts. The feedback sheet/cover sheet will allow students to distinguish their own participation in the report. Each group member will be asked to take responsibility for one aspect of the report and they will receive 50% of the assignment's marks for this aspect.

Submission

Your group will be required to present in your registered class during week 12.

Extension

No extensions will be granted. Students who are absent from the presentation will be awarded a mark of ZERO, except for cases in which an application for Disruption to Studies is made and approved. If the application is approved, students are expected to complete the presentation on an individual basis.

Penalties

A mark of zero will be awarded to students who are absent from the presentation.

On successful completion you will be able to:

- Evaluate the application and basis of selected accounting standards

- Analyse and integrate conceptual and technical corporate accounting knowledge
- Work as a team to critically analyse and evaluate complex ideas in corporate accounting
- Communicate technical corporate accounting issues to management and other stakeholders.

3. Online quiz

Due: **Week 13**

Weighting: **10%**

Task overview and marking criteria

The online quiz will be computer based (accessed from iLearn) with multiple choice questions. The details are as follows:

- Apply accounting standards including the Conceptual Framework in the preparation of company financial statements
- Analyse and integrate conceptual and technical corporate accounting knowledge

4. Final Examination

Due: **Examination period**

Weighting: **50%**

A final examination is included as an assessment task for this unit to provide assurance that:

- i) the product belongs to the student and
- ii) the student has attained the knowledge and skills tested in the exam.

A 3 hour closed book final examination for this unit will be held during the University Examination period. This examination will examine **material covered in topics 1 to 11**.

Submission

Please check for the University Examination period.

You are expected to present yourself for examination at the time and place designated in the University Examination Timetable. The timetable will be available in Draft form approximately eight weeks before the commencement of the examinations and in Final form approximately four weeks before the commencement of the examinations.

<http://exams.mq.edu.au/>

Extension

The only exception to not sitting an examination at the designated time is because of documented illness or unavoidable disruption. In these circumstances you may wish to consider applying for Disruption to Studies. The University's policy on Disruption to Studies process is available at:

http://www.mq.edu.au/policy/docs/disruption_studies/policy.html

If a Supplementary Examination is granted as a result of the Disruption to Studies process, the examination will be scheduled as per the Supplementary Examination timetable of the Faculty. **Please note that the supplementary examination will be of the similar format as the final examination.**

Supplementary examination information is available at:

http://www.businessandeconomics.mq.edu.au/new_and_current_students/undergraduate/how_do_i/disruption_to_studies

The Macquarie university examination policy details the principles and conduct of examinations at the University. The policy is available at:

<http://www.mq.edu.au/policy/docs/examination/policy.html>

Penalties

A 'Fail' grade will be awarded to students who are absent from the final exam.

On successful completion you will be able to:

- Evaluate the application and basis of selected accounting standards
- Apply accounting standards including the Conceptual Framework in the preparation of company financial statements
- Analyse and integrate conceptual and technical corporate accounting knowledge

Delivery and Resources

Classes

This unit offers one 3 hour class per week. The timetable for classes can be found on the University web site at:

<http://www.timetables.mq.edu.au/>

You **MUST** attend only the class in which you are enrolled. In the event that you have to attend an alternative class for a particular week you are required to notify your lecturer in advance of attending the alternate class.

Consultation times will commence in **Week 3**. Please refer to iLearn for staff consultation times, and note that there are **no consultation times during the mid-session break**.

Required and Recommended Texts and / or Materials

Prescribed text:

Leo, Knapp, McGowan and Sweeting, ***Company Accounting***, 10th ed. John Wiley & Sons Australia Ltd, 2015

Unit Web Page

Unit materials, suggested solutions, announcements and other relevant information are found on iLearn for the unit at: <http://ilearn.mq.edu.au>.

Students are expected to visit the unit webpage on a regular basis, and at a minimum at least one a week.

Teaching and Learning Activities

The last page of this assessment guide contains a list of the topics that will be covered in classes over the duration of the session. Also included are details of weekly readings, weekly homework questions and additional self-study questions.

Class structure

Each session will involve a tutorial segment, discussing assigned weekly homework questions from the previous week. The session will then continue with a lecture covering the next topic.

You are not required to have completed the weekly reading **prior to** attending the weekly lecture, however some students find reading prior to classes useful. ALL the content within the readings is examinable and you are expected to have completed the readings prior to attempting relevant assessment tasks.

Weekly homework questions

You are required to prepare solutions to the weekly homework questions prior to attending the following class. As solutions to selected weekly homework questions will be discussed in class,

this gives you an opportunity to discuss any problems or difficulties you are experiencing with the subject content.

Solutions to weekly homework questions will be placed online (ilearn.mq.edu.au) on Friday afternoon the week the homework is due with the exception of Topic 1 homework which will be released at the end of Week 1.

In class case studies

Solutions to the in class case studies will be discussed in classes but **will not** be posted online.

Technology Used and Required

Students will need access to Microsoft Excel, Word and Powerpoint to enable completion of various assessment tasks throughout the session.

Research & Practice and Global & Sustainability

This unit addresses global and sustainability issues as direct areas of study and as necessary implications arising from the materials, assessment and academic discussion and debate in classes/seminars. We promote sustainability by developing ability in students to research and locate information within accounting discipline. We aim to provide students with an opportunity to obtain skills which will benefit them throughout their career.

The unit materials have a reference list at the end of each chapter/module/text containing all references cited by the author. These provide some guidance to references that could be used to research particular issues.
