Unit description

This unit is for students who have never studied Spanish before. Students who have studied Spanish or had some informal exposure to the language through family, friends or travel should contact the unit convenor before enrolling in this unit. It follows a communicative approach and is designed to develop skills in reading, writing, comprehension and speaking. All enrolment queries should be directed to Open Universities Australia (OUA): see

www.open.edu.au

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.open.edu.au/student-admin-and-support/key-dates/>

Learning Outcomes

On successful completion of this unit, you will be able to:

Reading: understand very short, simple texts a single phrase at the time, picking up familiar names, words and basic phrases and rereading as required.

Listening: follow speech that is very slow and carefully articulated, with long pauses for the learner to assimilate meaning.

Writing: ask for or pass on personal details in written form; write simple isolated phrases and sentences.

Spoken Interaction: interact in a simple way but communication is totally dependent on repetition at a slower rate of speech, rephrasing and repair; ask and answer simple questions, initiate and respond to simple statements in areas of immediate need or on

very familiar topics.

Spoken Production: produce simple mainly isolated phrases about people and places.

General Assessment Information

Submission of most tasks is via iLearn. All assessment tasks are compulsory and must be submitted on time. As a general rule, extensions will not be granted without a valid and documented reason (e.g. medical certificate). Late submissions will be penalised by 5% for each day (including weekends) the assignment task is late. No assignments will be accepted after assignments have been corrected and feedback has been provided. Assignment tasks handed in early will not be marked and returned before the due date.

Rubrics and indicative samples are provided via iLearn to clarify grading standards and assessment requirements.

Delivery and Resources

Delivery: Fully online

Login is via: <https://ilearn.mq.edu.au/>

Is my unit in iLearn?: <http://help.ilearn.mq.edu.au/unitsonline/> Use this link to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

- For technical support go to: http://mq.edu.au/about_us/offices_and_units/informatics/help
- For student quick guides on the use of iLearn go to: http://mq.edu.au/iLearn/student_info/guides.htm

Required resources:

Nexos (2016, 4th edition). By Spaine Longe, Carreira, Madrigal Velasco & Swanson. Cengage

Learning. Print book + iLrnHeinle online access card.

Please note that this textbook package is IN STOCK in Australia via the Co-op bookshop, OUA and Macquarie's preferred supplier. If you order from another supplier you may find your textbook is delayed by up to seven weeks as it is shipped from overseas.

You can choose to purchase the print edition + access card for iLrn online resources mentioned above, via Co-op Bookshop, or you can purchase online only including the eBook. Cengage have organised a special discount price for OUA Macquarie Spanish of \$99 for purchasing instant access to the online-only option, which is especially suitable for online-only students who find their own pace through each week's material and who generally complete dialogues/group work via computer as well.

If you transfer to Macquarie to complete additional Spanish studies after completing Introductory I, you will use the same textbook and your online access will allow you to complete SPN102 and SPN103 through Macquarie directly any time in the subsequent 18 months after completing SLAX101 without additional textbook costs.

Policies and Procedures

Late Submission - applies unless otherwise stated elsewhere in the unit guide

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted more than seven (7) days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests.

Extension Request

<https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/special-consideration>

The University recognises that students may experience events or conditions that adversely affect their academic performance. If you experience serious and unavoidable difficulties at exam time or when assessment tasks are due, you can consider applying for Special Consideration.

You need to show that the circumstances:

1. were serious, unexpected and unavoidable
2. were beyond your control
3. caused substantial disruption to your academic work
4. substantially interfered with your otherwise satisfactory fulfilment of the unit

requirements

5. lasted at least three consecutive days or a total of 5 days within the teaching period and prevented completion of an assessment task scheduled for a specific date.

If you feel that your studies have been impacted submit an application as follows:

1. Visit [Ask MQ](#) and use your OneID to log in
2. Fill in your relevant details
3. Attach supporting documents by clicking 'Add a reply', click 'Browse' and navigating to the files you want to attach, then click 'Submit Form' to send your notification and supporting documents
4. Please keep copies of your original documents, as they may be requested in the future as part of the assessment process

Outcome

Once your submission is assessed, an appropriate outcome will be organised.

OUA Specific Policies and Procedures

Withdrawal from a unit after the census date

You can withdraw from your subjects prior to [the census date](#) (last day to withdraw). If you successfully withdraw before the census date, you won't need to apply for Special Circumstances. If you find yourself unable to withdraw from your subjects before the census date - you might be able to [apply for Special Circumstances](#). If you're eligible, we can refund your fees and overturn your fail grade.

If you're studying Single Subjects using FEE-HELP or paying up front, you can [apply online](#).

If you're studying a degree using HECS-HELP, you'll need to [apply directly to Macquarie University](#).

Macquarie University policies and procedures are accessible from [Policy Central](#). Students should be aware of the following policies in particular with regard to Learning and Teaching:

Graduate Capabilities

Creative and Innovative

Our graduates will also be capable of creative thinking and of creating knowledge. They will be imaginative and open to experience and capable of innovation at work and in the community. We want them to be engaged in applying their critical, creative thinking.

This graduate capability is supported by:

Learning outcomes

- Writing: ask for or pass on personal details in written form; write simple isolated phrases and sentences.
- Spoken Interaction: interact in a simple way but communication is totally dependent on repetition at a slower rate of speech, rephrasing and repair; ask and answer simple questions, initiate and respond to simple statements in areas of immediate need or on very familiar topics.

Commitment to Continuous Learning

Our graduates will have enquiring minds and a literate curiosity which will lead them to pursue knowledge for its own sake. They will continue to pursue learning in their careers and as they participate in the world. They will be capable of reflecting on their experiences and relationships with others and the environment, learning from them, and growing - personally, professionally and socially.

This graduate capability is supported by:

Learning outcomes

- Spoken Interaction: interact in a simple way but communication is totally dependent on repetition at a slower rate of speech, rephrasing and repair; ask and answer simple questions, initiate and respond to simple statements in areas of immediate need or on very familiar topics.
- Spoken Production: produce simple mainly isolated phrases about people and places.

Discipline Specific Knowledge and Skills

Our graduates will take with them the intellectual development, depth and breadth of knowledge, scholarly understanding, and specific subject content in their chosen fields to make them competent and confident in their subject or profession. They will be able to demonstrate, where relevant, professional technical competence and meet professional standards. They will be able to articulate the structure of knowledge of their discipline, be able to adapt discipline-specific knowledge to novel situations, and be able to contribute from their discipline to inter-disciplinary solutions to problems.

This graduate capability is supported by:

- Spoken Production: produce simple mainly isolated phrases about people and places.

Problem Solving and Research Capability

Our graduates should be capable of researching; of analysing, and interpreting and assessing data and information in various forms; of drawing connections across fields of knowledge; and they should be able to relate their knowledge to complex situations at work or in the world, in order to diagnose and solve problems. We want them to have the confidence to take the initiative in doing so, within an awareness of their own limitations.

This graduate capability is supported by:

Assessment task

- Uni Language Learning

Effective Communication

We want to develop in our students the ability to communicate and convey their views in forms effective with different audiences. We want our graduates to take with them the capability to read, listen, question, gather and evaluate information resources in a variety of formats, assess, write clearly, speak effectively, and to use visual communication and communication

technologies as appropriate.

This graduate capability is supported by:
