Details are provided in the Assessment Guidelines Document available on iLearn and questions on this assessment will be answered in the first lecture.

NOTE ON EXTENSIONS: No extensions will be granted. Students who do not complete the online quiz will be awarded a mark of 0 for the assessment, except for cases in which an application for special consideration is made and approved

Comparative review

Due: **13/09/2018**

Weighting: **20%**

A comparative analysis asks you to compare and contrast two texts that discuss the same topic but have crucial differences or appear to have crucial differences yet turn out to have surprising commonalities.

Two academic journal articles will be provided for BUS 815 students on iLearn. You will have to write a **1,000 word essay** (+-10%, excl reference list) comparing these articles: their differences, their similarities, their strengths and weaknesses, the validity of their arguments.

Details and marking criteria are provided in the Assessment Guidelines Document available on iLearn and questions on this assessment will be answered in the first lecture.

NOTE ON EXTENSIONS: No extensions will be granted. Late tasks will be accepted up to 120 hours after the submission deadline. There will be a deduction of 10% from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission – 20% penalty). This penalty does not apply for cases in which an application for special consideration is made and approved.

SUBMISSION DETAILS: The essay is to be submitted through Turnitin on iLearn. Further details are provided in the Assessment Guidelines Document available on iLearn.

Group assignment

Due: **Weeks 11, 12 and 13**

Part 1, Collective Deliverable - 30%: In groups of 4-5 (depending on cohort numbers) students will write a 3,000 report (+- 10%, excl title page, executive summary, table of contents and reference list) on an organisation of their choice, applying knowledge that they gained from BUS 815. The report is due on November 8 (Week 13). **Teammates will receive the same mark for this component of the assessment. The report is to be uploaded in the relevant Turnitin folder on iLearn.** Details and assessment criteria are provided in the Assessment Guidelines Document available on iLearn and questions on this assessment will be answered during the first lecture.

NOTE ON EXTENSIONS: No extensions will be granted. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late, 20% penalty). This penalty does not apply for cases in which an application for special consideration is made and approved.

Part 2, Individual Deliverable - 30%: Giving constructive feedback is a critical element in being a successful leader; yet many of us struggle to deliver it and learn from it. In weeks 11 and 12, students will partake in a feedback exercise in class. **This assignment will be marked individually and is to be submitted on the relevant folder on iLearn.** Details and assessment criteria are provided in the Assessment Guidelines Document available on iLearn and questions on this assessment will be answered in the first workshop.

NOTE ON EXTENSIONS: No extensions will be granted. Students who do not participate in the feedback exercise will be awarded a mark of 0 for the task, except for in cases in which an application for special consideration is made and approved.
