Is my unit in iLearn?: <http://help.ilearn.mq.edu.au/unitsonline/> to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor **before** the end of **Week 1** if you do not have a suitable laptop (or tablet) for in-class use.

Problem Solving and Research Capability

Our graduates should be capable of researching; of analysing, and interpreting and assessing data and information in various forms; of drawing connections across fields of knowledge; and they should be able to relate their knowledge to complex situations at work or in the world, in order to diagnose and solve problems. We want them to have the confidence to take the initiative in doing so, within an awareness of their own limitations.

This graduate capability is supported by:

Learning outcomes

- To hear, speak, read and write modern Croatian language in a variety of registers.
- To attain a good level of spoken and written Croatian through practice in class and completion of exercises and assignments.
