Corequisites

Co-badged status

Unit description

This unit aims to give students an insight into treasury management for non-financial corporations. It will examine cash forecasting and liquidity management, financing, financial risk management, and managing relationships with financial institutions, ratings agencies and within the business. We consider the issues confronting the treasurer today and the changing role of treasury in today's environment. A key focus is how treasury fits within the broader corporation, understanding how and why a corporate treasury differs from financial institutions, how it can add value to the corporation and work to support broader corporate objectives.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the corporation.

Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.

Identify and implement appropriate long term funding strategies.

Understand the importance of accurate short term and long term cash flow forecasts.

Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.

Understand and identify opportunities for Treasury to engage in broader business activities.

Understand the importance of appropriate systems and governance to protect the integrity of Treasury activities.

General Assessment Information

To pass this unit (requires a Mark of 50 or better) the student must pass the final examination.

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Group Class Case Study</u>	10%	No	Conducted in class on Sunday
<u>Assignment</u>	30%	No	Refer to iLearn
<u>Final Exam</u>	60%	Yes	Refer to Timetable

Group Class Case Study

Due: **Conducted in class on Sunday**

Weighting: **10%**

Summary of Assessment Task

Individual / Group: Group.

Due Date: Lecturer to advise in class.

Grading Method: Refer to 'Standards Required to Complete the Unit Satisfactorily' section.

Submission Method: During class.

Duration: Lecturer to advise in class.

Extension Requests:

- No extensions will be granted unless prior arrangements have been made with the lecturer.
- In the absence of such arrangements, late submission will result in zero marks, unless an application for Special Consideration is made and approved. Refer to MAFC Program Rules at www.mafc.mq.edu.au for information on the University's

Special Consideration Policy.

Other Information: The lecturer will distribute the case study problems during the classes, which will apply concepts learnt during class and from the notes.

On successful completion you will be able to:

- Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the corporation.
- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.

Assignment

Due: **Refer to iLearn**

Weighting: **30%**

Summary of Assessment Task

Individual / Group: Individual.

Due Date: Refer to iLearn.

Grading Method: Refer to 'Standards Required to Complete the Unit Satisfactorily' section.

Submission Method: Online via Turnitin on iLearn.

Duration: Refer to Assignment Coversheet.

Extension Requests:

- No extensions will be granted unless an application for Special Consideration is made and approved. If you have extenuating circumstances that prevent you from submitting your assignment by the due date, you must apply for Special Consideration as soon as reasonably possible. Refer to MAFC Program Rules at www.mafc.mq.edu.au for information on the University's Special Consideration Policy.
- Unless such prior arrangements have been made, any late submission of assignments will automatically be penalised. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission – 20% penalty).
- No submissions will be accepted after solutions have been posted.

Other Information: The lecturer will distribute the assignment problem during the classes.

On successful completion you will be able to:

- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.

Final Exam

Due: **Refer to Timetable**

Weighting: **60%**

This is a hurdle assessment task (see [assessment policy](#) for more information on hurdle assessment tasks)

Summary of Assessment Task

Individual / Group: Individual.

Due Date: Refer to Timetable.

Grading Method: Refer to 'Standards Required to Complete the Unit Satisfactorily' section.

Submission Method: As per MAFC Program Rules at www.mafc.mq.edu.au

Duration: 2 hours plus 10 minutes reading time.

Examination Conditions:

- All examinations are closed book.
- Questions may be asked on the material in the readings and case studies included in the notes. More information on the exam format will be given during classes.
- Exam times and locations are noted in the unit timetable at www.mafc.mq.edu.au.
- Refer to MAFC Program Rules at www.mafc.mq.edu.au.

Extension Requests:

- You are expected to present yourself for examination at the time and place designated in the relevant MAFC Timetable at www.mafc.mq.edu.au.
- Deferral of an examination is not permitted unless an application for Special Consideration is made and approved.
- Refer to MAFC Program Rules at www.mafc.mq.edu.au for information on the University's Special Consideration Policy or non-attendance at an examination.

On successful completion you will be able to:

- Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the corporation.
- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand the importance of accurate short term and long term cash flow forecasts.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.
- Understand and identify opportunities for Treasury to engage in broader business activities.
- Understand the importance of appropriate systems and governance to protect the integrity of Treasury activities.

Delivery and Resources

CLASSES

Face-to-Face Teaching: Generally 40 hours.

Timetable: Detailed timetable for classes are on the Centre's website at www.mafc.mq.edu.au

Consultation Times:

Students who wish to contact any of the teaching staff may do so through:

- The unit's iLearn site, in relation to general queries (so that all students may benefit); or
- Individual consultation with the lecturer by email in the first instance, if necessary.

REQUIRED AND RECOMMENDED TEXTS AND/OR MATERIALS

Text: Nil

Additional Readings: Unit notes and readings will be supplied, as well as case study materials for class discussion.

Lecture Notes: Available in printed form and electronically via iLearn.

Study Problems: Students are required to work systematically through suggested problem sets. These problems will not be collected but they will help you prepare for the exams. Answers to the problems will be handed out in class.

Pre-unit Materials: Nil

Useful References: Students should read financial press widely, and have a strong interest in corporate financial activity.

Calculators:

- A basic calculator would be of assistance for the completion of in-class exercises.
- In examinations, hand held calculators are permitted. Mobile phones and computers are not permitted.

Assumed Knowledge: Students are expected to be familiar with relevant material from the Financial Risk Management unit.

Assumed Access: Access to a computer with word processing and spreadsheet capability is assumed, as is general student computer literacy.

TECHNOLOGY USED AND REQUIRED

Unit iLearn Site:

- Found by logging on to iLearn ilearn.mq.edu.au, then clicking on ***ECFS850 Corporate Treasury Management***.
- This is where you will find forums, downloadable resources and links to important pages.
- The forum allows you to communicate with other students and lecturer(s) and may provide supplementary material.
- You are requested to post your questions on the forums at least 24 hours prior to the assignment submission date or the examination date. Questions posted after that time may not be answered. **Please try to not leave your questions to the last few days.**

Laptops: A laptop per group would be beneficial to enable students to present the results of the in-class case study.

Notes: Additional subject notes may be distributed during classes to students attending (where relevant).

Important Notice:

- It is important that you familiarise yourself with the unit's iLearn site.
- The lecturer will advise during the class about the distribution of material (such as additional notes, assignment, and case studies), that may appear on the unit's iLearn site, if relevant.
- Students should check the unit's iLearn site regularly (minimum twice a week and prior to all lectures) and look for updates and distribution of materials (including case studies) related to the unit or assessments and, if relevant, participate in forum discussions.

Unit Schedule

This course is intended to give students a working understanding of the day-to-day activities and

issues facing a corporate Treasury. A general working knowledge of the corporate environment and current financial events would be beneficial. The knowledge of financial markets and instruments gained through the successful completion of the core subjects will be sufficient for students undertaking this subject.

1. INTRODUCTION TO CORPORATE TREASURY

Topics:

- 1.1 The role of a corporate Treasury
- 1.2 What are the objectives of a corporate Treasury?
- 1.3 Where does Treasury sit within the broader company?
- 1.4 Treasury organisational design
- 1.5 What is risk?
- 1.6 What risks does a corporate Treasury take responsibility for?
- 1.7 What broader activities can a Treasury engage in to add value to the company?
- 1.8 How is a corporate Treasury different to a bank Treasury?

2. SHORT TERM CASH MANAGEMENT

Topics:

- 2.1 Producing an accurate cash flow forecast
- 2.2 Cash flow forecast exercise
- 2.3 Measuring and improving cash flow forecast accuracy
- 2.4 Bank account structuring, including pooling and sweeping
- 2.5 Short term funding options
- 2.6 Short term investment options

3. BALANCE SHEET MANAGEMENT

Topics:

- 3.1 Debt vs equity
- 3.2 Equity
- 3.3 Debt
- 3.4 Working capital management
- 3.5 Long term cash flow forecasting and stress testing
- 3.6 Identification and management of debt-related risks
- 3.7 Case study – debt portfolio
- 3.8 Accessing the bond markets

3.9 Case study – international bond issue

3.10 Case study – local bond issue

3.11 Balance sheet management exercises

4. MANAGING MARKET RISK

Topics:

4.1 Review of hedging basics

4.2 Risk identification and quantification

4.3 Foreign exchange risk management

4.4 Interest rate risk management

4.5 Commodities are different

4.6 Commodity price risk management

4.7 Credit risk management

4.8 Managing the risks of a bond issue

5. GROUP CLASS CASE STUDY

6. MANAGING TREASURY RELATIONSHIPS

Topics:

6.1 Key external relationships

6.2 Relationship banks

6.3 Credit rating agencies

6.4 Debt investors

7. SYSTEMS AND GOVERNANCE

Topics:

7.1 Creating a Treasury policy

7.2 The right control environment

7.3 When it all goes wrong

7.4 Impacts from the external environment

7.5 Treasury reporting

7.6 Measuring Treasury's performance

7.7 Treasury systems

7.8 Business continuity protocol

7.9 Information and dealing platforms

Learning and Teaching Activities

Strategy

The Master of Applied Finance degree adopts a deep teaching and learning strategy, in which students acquire and retain knowledge and also are able to make sense of the issues and concepts and apply them in the “real world”. The degree relies heavily on student engagement and participation by: (a) Continuous learning throughout the term. This is encouraged through a combination of students undertaking prescribed reading throughout the units and / or completion of practice problems, case studies, assignments, class presentations etc and interaction via forums in the unit’s iLearn site; and (b) Assessments, which enable the student to demonstrate his / her understanding of the learning objectives achieved through the continuous learning.

Student Participation

Students participate in this unit by: (a) Attending lectures and participating in class discussion; (b) Before each class, completing the recommended readings of notes and text, and working systematically through suggested problem sets; (c) Interacting on the unit’s iLearn site; and (d) Completing all assessment tasks and exams. On average, the unit will require students to complete, for every hour of class time, approximately 3 hours private study.

Policies and Procedures

Macquarie University policies and procedures are accessible from [Policy Central \(https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central\)](https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- [Academic Appeals Policy](#)
- [Academic Integrity Policy](#)
- [Academic Progression Policy](#)
- [Assessment Policy](#)
- [Fitness to Practice Procedure](#)
- [Grade Appeal Policy](#)
- [Complaint Management Procedure for Students and Members of the Public](#)
- [Special Consideration Policy](#) (**Note:** *The Special Consideration Policy is effective from 4 December 2017 and replaces the Disruption to Studies Policy.*)

Undergraduate students seeking more policy resources can visit the [Student Policy Gateway \(https://students.mq.edu.au/support/study/student-policy-gateway\)](https://students.mq.edu.au/support/study/student-policy-gateway). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

If you would like to see all the policies relevant to Learning and Teaching visit [Policy Central \(https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central\)](https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central).

Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: <https://students.mq.edu.au/study/getting-started/student-conduct>

Results

Results shown in *iLearn*, or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit [ask.mq.edu.au](#).

Students should also consult the MAFC Program Rules at <http://www.mafc.mq.edu.au>

Student Support

Macquarie University provides a range of support services for students. For details, visit <http://students.mq.edu.au/support/>

Learning Skills

Learning Skills (mq.edu.au/learningskills) provides academic writing resources and study strategies to improve your marks and take control of your study.

- [Workshops](#)
- [StudyWise](#)
- [Academic Integrity Module for Students](#)
- [Ask a Learning Adviser](#)

Student enquiry service (MAFC-specific)

For all student enquiries, please contact studentsupport@mafc.mq.edu.au

Student Services and Support

Students with a disability are encouraged to contact the [Disability Service](#) who can provide appropriate help with any issues that arise during their studies.

Learning Skills

Learning Skills (www.students.mq.edu.au/support/learning_skills/) provides academic writing resources and study strategies to improve your marks and take control of your study.

IT Help

For help with University computer systems and technology, visit http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/.

When using the University's IT, you must adhere to the [Acceptable Use of IT Resources Policy](#). The policy applies to all who connect to the MQ network including students.

Graduate Capabilities

PG - Capable of Professional and Personal Judgment and Initiative

Our postgraduates will demonstrate a high standard of discernment and common sense in their professional and personal judgment. They will have the ability to make informed choices and decisions that reflect both the nature of their professional work and their personal perspectives.

This graduate capability is supported by:

Learning outcomes

- Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the corporation.
- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand the importance of accurate short term and long term cash flow forecasts.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.
- Understand and identify opportunities for Treasury to engage in broader business activities.
- Understand the importance of appropriate systems and governance to protect the integrity of Treasury activities.

Assessment tasks

- Group Class Case Study
- Assignment
- Final Exam

PG - Critical, Analytical and Integrative Thinking

Our postgraduates will be capable of utilising and reflecting on prior knowledge and experience, of applying higher level critical thinking skills, and of integrating and synthesising learning and knowledge from a range of sources and environments. A characteristic of this form of thinking is the generation of new, professionally oriented knowledge through personal or group-based critique of practice and theory.

This graduate capability is supported by:

Learning outcomes

- Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the corporation.
- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand the importance of accurate short term and long term cash flow forecasts.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.
- Understand and identify opportunities for Treasury to engage in broader business activities.
- Understand the importance of appropriate systems and governance to protect the integrity of Treasury activities.

Assessment tasks

- Group Class Case Study
- Assignment
- Final Exam

PG - Research and Problem Solving Capability

Our postgraduates will be capable of systematic enquiry; able to use research skills to create new knowledge that can be applied to real world issues, or contribute to a field of study or practice to enhance society. They will be capable of creative questioning, problem finding and problem solving.

This graduate capability is supported by:

Learning outcomes

- Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the

corporation.

- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand the importance of accurate short term and long term cash flow forecasts.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.
- Understand and identify opportunities for Treasury to engage in broader business activities.
- Understand the importance of appropriate systems and governance to protect the integrity of Treasury activities.

Assessment tasks

- Group Class Case Study
- Assignment
- Final Exam

PG - Engaged and Responsible, Active and Ethical Citizens

Our postgraduates will be ethically aware and capable of confident transformative action in relation to their professional responsibilities and the wider community. They will have a sense of connectedness with others and country and have a sense of mutual obligation. They will be able to appreciate the impact of their professional roles for social justice and inclusion related to national and global issues

This graduate capability is supported by:

Learning outcomes

- Understand the scope of corporate Treasury responsibilities and its role within the broader corporation, and how Treasury can support the business and add value to the corporation.
- Identify and implement appropriate strategies to manage key treasury risks, including short term liquidity, interest rate, FX and commodity price risks.
- Identify and implement appropriate long term funding strategies.
- Understand the importance of accurate short term and long term cash flow forecasts.
- Understand, apply and interpret appropriate Treasury management and funding techniques to 'real world' situations.
- Understand and identify opportunities for Treasury to engage in broader business activities.
- Understand the importance of appropriate systems and governance to protect the

integrity of Treasury activities.

Assessment tasks

- Group Class Case Study
- Assignment
- Final Exam

Important Notice

This Unit Guide may be subject to change. The latest version is on the Centre's website at www.maqc.mq.edu.au.

Students should read the Unit Guide carefully at the start of the term. It contains important information about the unit. If anything is unclear, please consult one of the unit lecturers.

Standards Required to Complete the Unit Satisfactorily

University Policy on Grading:

- Macquarie University's Academic Senate has established a Grading Policy available at <http://www.mq.edu.au/policy/docs/grading/policy.html>. Your final result will include:
 - A Grade ranging from Fail Hurdle to High Distinction; and
 - A numerical Mark, which is a summation of the individual assessment components, providing the examination component is passed.
- It is important to note:
 - The Policy does not require that a minimum or maximum number of students are to be failed in any unit;
 - Grades will not be allocated to fit a predetermined distribution; and
 - Grades for all individual assessment items will be released to students, but Marks may not necessarily be released.

Specific Unit Grading:

- To pass this unit (i.e. requires a Mark of 50 or better) the student must pass the final examination.
 - Students who have attained a total raw mark of 50% or greater in a unit, but have failed the unit's exam requirement and who have demonstrated "sufficient effort" in the exam, will be granted a single opportunity to sit a Supplementary Exam which will be graded on a pass/fail basis. The unit Mark and Grade for students who pass this examination will be those corresponding to the original

total raw mark of all their assessment tasks, including the original exam. That is, the Supplementary Hurdle Exam only determines the meeting of the hurdle requirement. Students who have attained a raw mark of 50% or greater in a unit, yet failed all attempts at the requirement, will be awarded an Fail Hurdle Grade with a final Mark of 49.

- All final Marks and Grades in the Applied Finance Centre are determined by a grading committee and are not the sole responsibility of the unit convenor.

Grade	Expectation
High Distinction	Provides consistent evidence of deep and critical understanding in relation to the learning outcomes. There is substantial originality and insight in identifying, generating and communicating competing arguments, perspectives or problem solving approaches; critical evaluation of problems, their solutions and their implications; creativity in application as appropriate to the discipline.
Distinction	Provides evidence of integration and evaluation of critical ideas, principles and theories, distinctive insight and ability in applying relevant skills and concepts in relation to learning outcomes. There is demonstration of frequent originality in defining and analysing issues or problems and providing solutions; and the use of means of communication appropriate to the discipline and the audience.
Credit	Provides evidence of learning that goes beyond replication of content knowledge or skills relevant to the learning outcomes. There is demonstration of substantial understanding of fundamental concepts in the field of study and the ability to apply these concepts in a variety of contexts; convincing argumentation with appropriate coherent justification; communication of ideas fluently and clearly in terms of the conventions of the discipline.
Pass	Provides sufficient evidence of the achievement of learning outcomes. There is demonstration of understanding and application of fundamental concepts of the field of study; routine argumentation with acceptable justification; communication of information and ideas adequately in terms of the conventions of the discipline. The learning attainment is considered satisfactory or adequate or competent or capable in relation to the specified outcomes.
Fail	Does not provide evidence of attainment of learning outcomes. There is missing or partial or superficial or faulty understanding and application of the fundamental concepts in the field of study; missing, undeveloped, inappropriate or confusing argumentation; incomplete, confusing or lacking communication of ideas in ways that give little attention to the conventions of the discipline.
Fail Hurdle	Student has obtained a raw mark over 50, yet failed all available attempts of at least one hurdle assessment.

Review of Grade and final examination Script viewing:

- A student who has been awarded a final grade for a unit and who does not believe it is an accurate reflection of their performance, and has grounds for such a claim and can demonstrate those grounds, may apply to have their grade reviewed.
- For information on requesting a review of grade and/or viewing your final exam script, please refer to the University’s Grade Appeal Policy at <http://www.mq.edu.au/policy/docs/gradeappeal/policy.html> and MAFC Program Rules at <http://www.mafc.mq.edu.au>.
