Unit description

Entrepreneurial Finance examines the theory and practice associated with the financing of new ventures. This unit explores sources of funding, risk, venture capital financing terms and models, value creation, and exits. This study of entrepreneurial finance will enhance your ability to finance and launch new ventures, from both the viewpoints of the entrepreneur and external investors.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

Critically analyse the financial aspects of new venture business strategy and planning to choose the best source of financing.

Critically consider the role of diverse mindsets of different cultures and markets in how investors may view opportunities.

Assess and integrate ethical, social and environmental considerations for responsible new venture financing.

Critically analyse stakeholder relationships to generate new venture finance strategies that create and deliver sustainable value across complex networks.

## General Assessment Information

No extensions will be granted. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission – 20% penalty). This penalty does not apply for cases in which an application for disruption of studies is made and approved.

## Changes from Previous Offering

Addition of a final examination.

## Alignment with MGSM's mission-driven attributes

**Leadership:** The unit develops skills required of leaders with respect to the application and assessment of complex or ambiguous financial information in order to make well informed and robust investment decisions.

**Global mindset:** The unit enhanced my ability to assess the implications of strategic decisions from a whole of entity perspective, across a wide spectrum of stakeholders

**Citizenship:** The unit encouraged me to apply a true and fair view approach to reporting and disclosure where discretion exists related to accounting policies and financial strategies.

**Creating sustainable value:** The unit develops skills required to execute within the national innovation system and create or assess new entrepreneurial businesses.

## Attendance Policy (MGSM)

The interactive environment of the classroom is central to the MGSM experience. Students are required to attend the full duration of all classes for the units in which they are enrolled. We recognise that exceptional circumstances may occur, such as unavoidable travel on behalf of your organization or the serious illness or injury of you or a close family member. Special consideration may be given for a maximum of 20% non-attendance for such circumstances as long as lecturers are contacted in advance, and supporting documentation provided, to request exemption from attendance. Failure to abide by these conditions may result in automatic withdrawal, with academic and/or financial penalty. The full Student Attendance Policy is published in the MGSM Student Handbook at <https://students.mgsm.edu.au/handbook>
