General Assessment Information

Assessment items

There are three assessment items for this unit. All items must be submitted and a combined mark of at least 50% must be achieved in order for you to be awarded a passing grade for the unit.

Assessment Presentation & Submission Guidelines

All written assessment items are to be submitted via Turnitin on the unit iLearn site.

Assessment items must be submitted on or before the due date. Late submissions will attract a penalty of 5% of the available marks for each calendar day late.

Please follow these guidelines when you submit each assignment:

- Allow a left and right-hand margin of at least 2cm in all assignments.

- Please type all assignments using 12-point font and 1.5 spacing.
- All assessments must be submitted through Turnitin in .doc or .pdf format
- It is the onus of the student to ensure that all assessments are successfully submitted through Turnitin.
- Faculty assignment cover sheets are NOT required.

Draft Submissions & Turnitin Originality Reports

- Students may use Turnitin's Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.
- Students are strongly encouraged to upload a draft copy of each assessment to Turnitin at least one week prior to the due date to obtain an Originality Report.
- The Originality Report provides students with a similarity index that may indicate if plagiarism has occurred. Students will be able to make amendments to their drafts prior to their final submission on the due date.
- Generally, one Originality Report is generated every 24 hours up to the due date.

When preparing your assignments, it is essential that:

- Students regularly save a copy of all assignments before submission,
- Unless there are exceptional circumstances, no assessment will be accepted after the date that the assessment has been returned to other students.
- If an assessment is considered to be below passing standard, another staff member on the unit will provide a second opinion. Failed assessments can not be re-submitted as they are all double-marked as a part of the moderation process.

Final Submissions

- Students are responsible for checking that their submission has been successful and has been submitted by the due date and time.

Assignment extensions and late penalties

Applications for extensions must be made via AskMQ at <https://ask.mq.edu.au> as a Special Consideration request before the submission date. Students who experience a disruption to their studies through ill-health or misadventure are able to apply for this request. Extensions can only be granted if they meet the Special Considerations policy and are submitted via <https://ask.mq.edu.au/>. This will ensure consistency in the consideration of such requests is maintained.

In general, there should be no need for extensions except through illness or misadventure that would be categorised as unavoidable disruption according to the University definition of same, see:

<https://students.mq.edu.au/study/my-study-program/special-consideration>

Late submissions without extension will receive a penalty of 5% reduction of the total possible mark for each day late (including weekends and public holidays). You are reminded that submitting even just 1 day late could be the difference between passing and failing a unit. Late penalties are applied by unit convenors or their delegates after tasks are assessed.

No assessable work will be accepted after the return/release of marked work on the same topic. If a student is still permitted to submit on the basis of unavoidable disruption, an alternative topic may be set.

Students should keep an electronic file of all assessments. Claims regarding "lost" assessments cannot be made if the file cannot be produced. It is also advisable to keep an electronic file of all drafts and the final submission on a USB untouched/unopened after submission. This can be used to demonstrate easily that the assessment has not been amended after the submission date.

Special Considerations

The Special Consideration provision is to support students who have been impacted by circumstances that are unexpected, unavoidable, significantly disruptive and beyond the student's control, and which may affect their performance in assessment.

The University classifies a circumstance as serious and unavoidable if it:

- could not have reasonably been anticipated, avoided or guarded against by the student;
- and

- was beyond the student's control; and
- caused substantial disruption to the student's capacity for effective study and/or completion of required work; and
- occurred during an event critical study period and was at least three (3) consecutive days duration, and/or
- prevented completion of an assessment task scheduled for a specific date (e.g. final examination, in class test/quiz, in class presentation).

The following link takes you to the Special Considerations policy, which makes clear the ways in which you can apply for special consideration in times of difficulty.

<https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/special-consideration>

Withdrawing from this UG Unit

If you are considering withdrawing from this unit, please seek academic advice by writing to <https://ask.mq.edu.au> before doing so as this unit may be a co-requisite or prerequisite for units in the following semesters and may impact on your progression through the degree.

Requesting a remark of an assignment

If you have **evidence** that your task has been incorrectly assessed against the grade descriptors you can request a re-mark. To request a re-mark you need to contact the unit convenor within **7 days** of the date of return of the assignment and provide a detailed assessment of your script against the task criteria. Evidence from your assignment must be provided to support your judgements.

Please note: The outcome of a re-mark may be a **higher/lower or unchanged grade**. Grades are *standards referenced* and effort is NOT a criterion.

University policy on grading

Criteria for awarding grades for assessment tasks

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University's Grading Policy. The following descriptive criteria are included for your information.

Note: If you fail a unit with a professional experience component the fail grade will be on your transcript irrespective of the timing of when the placement takes place.

Criteria for awarding grades in the unit

Programming

Due: **14th April Int 19th May Ext**

Weighting: **50%**

Assessment Task 1: Planning for and with the Creative Arts (Programming sequential integrated learning experiences)

For this assessment item, students are to provide a summary of a sequence of 4 sequential learning experiences in the Visual Arts (drawing, painting, collage, printmaking, photography, site-specific installations etc). One of these learning experiences should be also integrated with at least one other art-form from the Creative Arts (Dance, Drama, Music). They need to consider the context of the children they are planning for (this can be a hypothetical context, or a context they are familiar with), and provide a rationale for why these experiences have the potential to foster meaningful art-making/performing and deep learning in the arts for this particular group of children. Students should focus on introducing children to the work of a well-known artist as way of exploring techniques and the elements of visual arts such as colour, line, shape, pattern and form. Students will also consider appropriate art materials and media to use in the classroom. This assessment has a specific focus on integrating learning in the Visual Arts with another art-form (Music, Dance, Drama).

The final paper should include:

- The Age of the children / Stage of Learning you are planning for, eg. 0-2 yrs, 2-3 yrs, 3-5 yrs, Early Stage 1, Stage 1, Stage 2 or Stage 3. Provide a brief description of the context (this can be hypothetical) of the school/centre.
- Background information on your chosen artist and his/her work including notable techniques and elements that will form the focus of your teaching.
- A brief introduction to your learning experiences (including stage of learning/age group), and explaining the links you can make between your chosen artist, your content area/ learning outcomes and the creative arts in general. Include analysis of why you think teaching in and through the Creative Arts will create deep and engaging learning for students.

- A summary of 4 sequential learning experiences in the Visual Arts (drawing, painting, collage, sculpture, printmaking, photography, site-specific installations etc). You might also include an experience relating to art historical or critical studies. Consider appropriate art materials and media to use in the classroom/early childhood centre. Integrate one of your experiences with one other artform area (Dance, Drama, Music). Include links to syllabus outcomes from the Creative Arts Syllabus or the EYLF. Please note that you should not submit a series of lesson plans, but rather a written description of what you will do.
- Evidence of wide reading from the Textbook and recommended readings list for ECH319 and beyond.

Please select one of the following artists (nb students involved in the *ECH319 Creative Arts Pedagogy in Hoi An, Vietnam* project will choose an artist in consultation with the Unit Convener):

Lena Yarinkura, Vernon Ah Kee, Howard Arkley, Margaret Preston, Abdul Abdullah, Grace Cossington-Smith, Tom Roberts, Mirka Mora, Daniel Boyd, Emily Kame Kngwarreye, Brett Whiteley, Jeannie Baker, Bronwyn Bancroft, Sally Morgan, Shaun Tan, Joshua Yeldham, Liam Bensen, Sean Gladwell, Janet Laurence.

- Discussing the use of the arts to develop learning on the selected topic.

(Please note: your report should address the performance of the group as a whole and should not focus on individuals).
