Unit description
This unit will focus on special topics in biology. Topics may range from genes to ecosystems, and focus on any level of biological organisation and any biological group or process. Topics will be chosen to encourage students to explore the different disciplines in biology and to develop skills in analysis and investigation that are necessary that are required to undertake more advanced research.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates
