Unit description

In this unit students integrate and synthesise discipline-specific knowledge and experiences from across the full range of child and adult speech pathology. Using scenario based learning, the unit will assist students to critically evaluate professional practices, creatively solve clinical problems, and work in a collaborative, client-centered model of care.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

- Apply advanced knowledge of disorders across the range of speech pathology practice, integrating intervention plans with a client-centred, evidence-based, and interprofessional approach to service delivery. (CBOS 1 – 2, 3.1, 3.2, 3.5, 4.5)
- Identify, analyse, and describe signs of complex and low incidence disorders across the range of speech pathology practice, and their implications for communication, health, and social participation. (CBOS 1 - 3)
- Interpret and apply relevant legislation, workplace policies, and professional standards to reasoning about dilemmas in clinical services. (CBOS 4.5, 5.1, 5.5, 5.6, 6.1, 7.2, 7.4)
- Select and implement successfully a repertoire of interpersonal communication skills,

demonstrating ethical values of dignity, respect for client rights, objectivity, and the precedence of professional over personal interests. (GPC 1- 4; CBOS 5.5, 7.3, 7.4))

General Assessment Information

Word limits

Assessment submissions with excessive word counts will receive a penalty commensurate with the amount the submission has exceeded the word limit stated in the assessment description.

Excessive word counts will result in the following penalties:

- From 11 to 20% over the word limit = reduction by one grading band.
- More than 20% over the word limit = reduction by **at least** two grading bands, with further penalties applied at the discretion of the unit convenor.

For example: Word limit = 2000 words; Submission word count = 2240, i.e., 12% over the limit, and therefore a penalty is applied as follows:

- Initial grade = D
- Penalty = reduction of one grading band
- Final grade = C

Penalty for late submission

Late submission of assessments will result in the following penalties:

- 1 day late = reduction by **no more than** one grading band, at the discretion of the unit convenor
- 2 days late = reduction by **no more than** two grading bands, at the discretion of the unit convenor
- 3 or more days late = reduction by **at least** two grading bands, with further reductions at the discretion of the unit convenor

For example: A submission is two days late, and therefore a penalty is applied as follows:

- Initial grade = HD
- Maximum penalty = reduction of two grading bands
- Final grade = C

Assessment Tasks

Name	Weighting	Hurdle	Due
SPHL839.1	40%	Yes	Week 9
SPHL839.2	60%	Yes	Week 12-13

SPHL839.1

Due: **Week 9**

Weighting: **40%**

This is a hurdle assessment task (see [assessment policy](#) for more information on hurdle assessment tasks)

In this assessment, students will develop community education materials aligned with their SPHL834 placement. Students are then required to prepare high quality education material appropriate for the disorder(s), audience(s), and placement. Students will be afforded significant flexibility for the content and modality used in the materials

On successful completion you will be able to:

- Apply advanced knowledge of disorders across the range of speech pathology practice, integrating intervention plans with a client-centred, evidence-based, and interprofessional approach to service delivery. (CBOS 1 – 2, 3.1, 3.2, 3.5, 4.5)
- Identify, analyse, and describe signs of complex and low incidence disorders across the range of speech pathology practice, and their implications for communication, health, and social participation. (CBOS 1 - 3)
- Interpret and apply relevant legislation, workplace policies, and professional standards to reasoning about dilemmas in clinical services. (CBOS 4.5, 5.1, 5.5, 5.6, 6.1, 7.2, 7.4)
- Select and implement successfully a repertoire of interpersonal communication skills, demonstrating ethical values of dignity, respect for client rights, objectivity, and the precedence of professional over personal interests. (GPC 1- 4; CBOS 5.5, 7.3, 7.4))

SPHL839.2

Due: **Week 12-13**

Weighting: **60%**

This is a hurdle assessment task (see [assessment policy](#) for more information on hurdle assessment tasks)

In this assessment, students will participate in a simulated case conference. Case conference members will be given a specific role scenario to maintain. MSLP students will be required to carry out pre-specified objectives in the case conference, e.g., educate a family member,

advocate for a client, advocate for the profession, deliver challenging information.

On successful completion you will be able to:

- Apply advanced knowledge of disorders across the range of speech pathology practice, integrating intervention plans with a client-centred, evidence-based, and interprofessional approach to service delivery. (CBOS 1 – 2, 3.1, 3.2, 3.5, 4.5)
- Identify, analyse, and describe signs of complex and low incidence disorders across the range of speech pathology practice, and their implications for communication, health, and social participation. (CBOS 1 - 3)
- Interpret and apply relevant legislation, workplace policies, and professional standards to reasoning about dilemmas in clinical services. (CBOS 4.5, 5.1, 5.5, 5.6, 6.1, 7.2, 7.4)
- Select and implement successfully a repertoire of interpersonal communication skills, demonstrating ethical values of dignity, respect for client rights, objectivity, and the precedence of professional over personal interests. (GPC 1- 4; CBOS 5.5, 7.3, 7.4))

Delivery and Resources

Students will participate in 2 hour seminar-based classes, focusing on specific cases and issues. All learning and teaching activities will occur over the standard 13 teaching weeks of the session.

Policies and Procedures

Macquarie University policies and procedures are accessible from [Policy Central](https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central) (<https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central>).
