| Unit description This unit will allow students to undertake an individual research project in applied finance, actuarial studies, business analytics, or a related area. An academic member of staff will be appointed to approve and supervise the research project, which will provide the student with an opportunity to develop skills in motivating the project, undertaking a literature review, and identifying and/or developing a theoretical model. The research project is expected to be approximately 8,000-10,000 words for the unit. This unit is designed to be followed by AFIN8064 Research Project B in which the student continues and completes their research project. |

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>
