Students are expected to have read the set readings before the class, and to actively participate in class. Students are also expected to do independent research using the library resources, and to search, select and analyse texts used in ESL contexts.

For externally enrolled students, the face-to-face lectures will be available in recorded format after the lecture via Echo360 link on iLearn.

Results

Results published on platform other than [eStudent](#), (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the

University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit [ask.mq.edu.au](#) or if you are a Global MBA student contact globalmba.support@mq.edu.au

All assessment tasks must be attempted in order to pass the unit.

Requesting an extension to assignment due date

Extensions will only be given in special circumstances, and can be requested by completing the Special Consideration request at [ask.mq.edu.au](#) and providing the requisite supporting documentation.

Extensions that will result in submissions after the assessment task has been returned to the class will require a separate assessment task to be completed at the unit convenor's discretion.

For more information on Special Consideration, see the university website <https://students.mq.edu.au/study/my-study-program/special-consideration/>

Late submission of assignments

If assignments are submitted after the due date without an approved extension, they are deemed late. Late submissions will receive a 5% per day penalty and will not be marked if more than 2 weeks late.

All assignments submitted after the deadline, regardless of the reason, will be marked and returned at a date determined by the unit convenor. Extensions cannot continue beyond the start of the following semester, and students should be aware that long extensions may impact graduation dates.
