## Common European Framework of Reference (CEFR)

This unit provides advanced learners with the opportunity to work towards language skills at level A1, the first level on the six-level scale of competence laid down in the Common European Framework of Reference for Languages (CEFR). Through engagement with the Croatian language in a range of contexts, the unit invites you to develop the ability to

- understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type,
- introduce themselves and others and ask and answer questions about personal details such as where you live, people you know and things you have
- interact in a simple way provided the other person talks slowly and clearly and is prepared to help.
