Unit description

This unit explores a variety of approaches to the study of second and foreign language acquisition in both instructed and naturalistic settings. The unit focuses on the range of factors that influence the learning/acquisition of a second language, as well as ways of studying the characteristics of learner language. Throughout the unit, participants are encouraged to reflect on the relevance of second language acquisition research to their own experiences as both language learners and professionals working in educational contexts or other language-related areas.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://students.mq.edu.au/important-dates>

## Learning Outcomes

**ULO2:** Demonstrate familiarity with and the ability to critically evaluate two areas of SLA research

**ULO1:** Identify and explain current issues and research trends in the field of second language acquisition (SLA)

**ULO3:** Communicate knowledge of SLA research to a professional audience

**ULO4:** Demonstrate an understanding of the range of internal and external factors that influence an individual's learning of a second language

**ULO5:** Apply knowledge of SLA research to an educational context of personal relevance

### Annotated bibliography presentation

Assessment Type <sup>1</sup>: Media presentation

Indicative Time on Task <sup>2</sup>: 20 hours

Due: **TBC**

Weighting: **20%**

For this assignment, students will prepare a short (5 minute) PowerPoint presentation with oral commentary detailing three academic references, and their relevance to their proposed research topic for the final assignment.

On successful completion you will be able to:

- Demonstrate familiarity with and the ability to critically evaluate two areas of SLA research
- Identify and explain current issues and research trends in the field of second language acquisition (SLA)
- Communicate knowledge of SLA research to a professional audience
- Apply knowledge of SLA research to an educational context of personal relevance

### Online Key Concepts Quiz

Assessment Type <sup>1</sup>: Quiz/Test

Indicative Time on Task <sup>2</sup>: 10 hours

Due: **TBC**

Weighting: **10%**

This quiz consists of multiple choice questions that students complete online during a 48 hour period when the quiz is open

On successful completion you will be able to:

- Identify and explain current issues and research trends in the field of second language acquisition (SLA)
- Demonstrate an understanding of the range of internal and external factors that influence an individual's learning of a second language

## Applying SLA Research

Assessment Type <sup>1</sup>: Essay

Indicative Time on Task <sup>2</sup>: 32 hours

Due: **TBC**

Weighting: **50%**

For this assessment task, students will write a 2500 word essay in which they apply research findings in one area of SLA research to a context/purpose of personal or professional relevance.

On successful completion you will be able to:

- Demonstrate familiarity with and the ability to critically evaluate two areas of SLA research
- Identify and explain current issues and research trends in the field of second language acquisition (SLA)
- Communicate knowledge of SLA research to a professional audience
- Apply knowledge of SLA research to an educational context of personal relevance

## Critical review

Assessment Type <sup>1</sup>: Reflective Writing

Indicative Time on Task <sup>2</sup>: 18 hours

Due: **TBC**

Weighting: **20%**

Students will write a 1000 word guided critique of a scholarly journal article in the field of second language acquisition

On successful completion you will be able to:

- Demonstrate familiarity with and the ability to critically evaluate two areas of SLA research
- Identify and explain current issues and research trends in the field of second language acquisition (SLA)
- Communicate knowledge of SLA research to a professional audience
- Apply knowledge of SLA research to an educational context of personal relevance

<sup>1</sup> If you need guidance or support to understand or complete this type of assessment, please contact the Learning Skills Team

<sup>2</sup> Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
