Unit description

The unit aims to evaluate the assurance engagement and other audit and assurance issues in the context of best practice and current developments. It covers the legal and regulatory environment and professional and ethical considerations, including professional liability, procedures in practice management, together with quality control and the acceptance and retention of professional engagements. The unit also covers the process of auditing of financial statements, including prospective financial information, due diligence and forensic audit. The current issues and developments as they relate to the provision of audit-related and assurance services are also covered.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Recognise the legal and regulatory environment and its effect on audit and assurance practices.

ULO2: Demonstrate the ability to work effectively on an assurance or other service engagement within a professional and ethical framework.

ULO3: Assess and recommend appropriate quality control policies and procedures in practice management and recognise the auditor's position in relation to the acceptance and retention of professional appointments.

ULO4: Identify and formulate the work required to meet the objectives of audit and non-audit assignments and draft suitable reports on assignments.

ULO5: Evaluate findings and the results of work performed by critically applying the International Standards on Auditing.

ULO6: Apply the current issues and developments relating to the provision of audit and assurance related services.

Assessment Tasks

Coronavirus (COVID-19) Update

Assessment details are no longer provided here as a result of changes due to the Coronavirus (COVID-19) pandemic.

Students should consult [iLearn](#) for revised unit information.

[Find out more about the Coronavirus \(COVID-19\) and potential impacts on staff and students](#)

General Assessment Information

Late assessment must also be submitted through Turnitin. No extensions will be granted. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission incurs a 20% penalty). Late submissions will not be accepted after solutions have been discussed and/or made available. This penalty does not apply for cases in which an application for [Special Consideration](#) is made and approved. Note: applications for [Special Consideration Policy](#) must be made within 5 (five) business days of the due date and time.
