Plagiarism: All written work must be in the student's own words. Assessments submitted via Turnitin will be subjected to plagiarism detection. Plagiarism will not be tolerated. Penalties for plagiarism range from loss of marks to awarding of a zero, depending upon the level of plagiarism, and reporting to the Faculty Disciplinary Committee.

Late submissions: Assessments submitted after the due date and without an approved Special Consideration will be penalised one mark per day late. For example, if the assessment carries a value of 30% of the total unit grade and you initially achieve a score of 20/30 (67%) but have submitted one day late, one mark will be subtracted from the initial score (i.e. $20 - 1 = 19$ out of $30 = 63\%$).
