Unit description

This unit focuses on the role of accounting and the accounting profession in society. By exploring and discovering diverse accountability frameworks, students will learn to appreciate the role accounting plays. The unit aims to introduce basic accounting language, concepts and methods. Students will be provided with an opportunity to discuss evolving means of information preparation, with an emphasis on understanding how such information assists users when making important business decisions. The role of accounting stewardship is explored, developing students' awareness of social, environmental and ethical concerns in an attempt to develop well rounded business professionals.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are

available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Examine the role of Accounting in a contemporary social context with a focus on business ethics and responsible management.

ULO2: Describe the business environment of the accounting profession.

ULO3: Develop competences in key technical aspects in accounting practice and be able to process and interpret basic accounting information.

ULO4: Evaluate the traditional aspects of accounting for business decision-making.

ULO5: Research and communicate ethical issues in business.

KickStart

This unit includes a KickStart package, designed to help you get a head start with your studies. Being well prepared can be the key to success, so be sure to take advantage of KickStart and make it work for you.

What is it?

KickStart is a package of resources and activities in iLearn that is specific to studying this unit. Your package may include welcome videos from the Unit Convenor, introductory quizzes and insights on the unit.

When is it available?

Two weeks before the start of the session, log into [iLearn](#) and access the KickStart package.

Please note that the activities in the KickStart package do not count towards the final grade of the unit.

What is required to complete this unit satisfactorily?

In addition to the requirements outlined in the Assessment tasks section above, it is expected that students in this course are independent learners who assume personal responsibility for their learning and undertake a pro-active approach to addressing any deficiencies in their understanding of the course materials through independent research and inquiry and through consultations with peers and instructors as appropriate.
