Unit description

This unit has been designed to support the development of research skills in child development through reading, reviewing and critiquing journal articles and other research based publications. It is assumed that students undertaking this unit have completed previous studies in child development. Students in this unit will investigate a specific topic in depth rather than covering a wide range of topics and will develop a research proposal for the final assignment.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes
