Unit description

This unit will provide an understanding of the theoretical framework of psychoacoustics underlying hearing threshold, hearing loss and related audiometric concepts; equip students with skills required to perform standard audiometric assessments of adults and older children, including otoscopy, pure tone audiometry, speech discrimination testing, clinical masking, and acoustic immittance; and facilitate the development of problem-solving and clinical integration skills for interpretation of audiological information, appropriate clinical decision making and referral.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Explain the theoretical framework of psychoacoustics underlying hearing threshold, hearing loss and related audiometric concepts.

**ULO2:** Perform basic audiometric assessments of adults and older children, including

otoscopy, pure tone audiometry, speech discrimination testing, clinical masking, and acoustic immittance.

**ULO3:** Discuss the clinical application of the basic audiological testing in an adult population.

**ULO4:** Apply problem-solving strategies to make clinical decisions and to integrate and interpret audiological information.

## Assessment Tasks

### Coronavirus (COVID-19) Update

Assessment details are no longer provided here as a result of changes due to the Coronavirus (COVID-19) pandemic.

Students should consult [iLearn](#) for revised unit information.

## General Assessment Information

### Late Assessment Task Procedure

**The procedure for the handling of late submission of assessment tasks is as follows:**

- Extensions will only be granted on documented evidence of significant disruption to your studies and can be requested by completing a Special Consideration request via [ask.mq.edu.au](#) with the requisite supporting documentation.
- Unless you have been granted an extension under special consideration, a penalty of 5% of the total marks for the assessment task per day (with the weekend counting as one day) will apply to late submissions.
- Unless otherwise negotiated, assessment tasks will not be accepted at all AFTER the date on which the marked assignments are returned to students in the unit.
