General Information

Unit convenor and teaching staff Neil Harrison neil.harrison@mq.edu.au
Credit points 10
Prerequisites Admission to MRes
Corequisites
Co-badged status
Unit description This unit explores recent developments in educational psychology and child development and examines links to teaching and learning and other relevant workplace learning contexts. The seminars explore topical research findings in several areas such as the development of motivation and engagement in students, student social interactions and bullying, and the psychological theories behind common instructional approaches. The learning tasks will develop skills in understanding approaches to research and the way in which research problems are identified, described and investigated in this discipline.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>
