Unit description

In Manuscript Project A, students commence on a 25,000 word creative manuscript (or equivalent in the case of poetry), which may be a complete work such as a themed collection of poetry or short stories, creative nonfiction essays, the opening chapters of a longer work such as a novella or novel, or a digital interactive text-based work. The two consecutive units Manuscript Project A and Manuscript Project B provide an opportunity for a sustained piece of writing to be developed over two sessions. There are no classes or workshops: students work independently with regular written and verbal feedback from a writing supervisor. It is expected that the final work will be of a potentially publishable standard. Application is open to students who have demonstrated excellent progress in their writing units and have submitted a compelling and potentially publishable project plan. Contact the Course Director for further information on how to apply for entry to this unit.
