Unit description

This unit is offered on a pass/fail basis. This unit aims to provide students with the knowledge and practical skills in basic adult audiological assessment, assist students' interpretation and integration of audiological information and provide students with an opportunity to develop a professional approach to audiological casework. Students are provided with an overview of the profession of audiology through initial observation in clinical environments as well as the opportunity to practice audiometric assessment on simulations and real clients. Students are also introduced to the principles of ethics. At the end of this unit, students are expected to be competent in pure tone audiometry, acoustic immittance assessment and speech recognition testing in adults.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: To develop and apply knowledge and practical skills in basic audiological assessment including skills in basic adult diagnostic audiological appointments (pure tone audiometry, acoustic immittance measurement and speech testing).

ULO2: To identify and use aspects of professional communication, particularly those

pertaining to the client interview.

ULO3: To generate and perform foundation skills in the interpretation and integration of audiological information.

ULO4: To prepare for clinical placements and identify a variety of cases.

ULO5: To apply the Professional Behaviour and Conduct Code of Audiology Students (as stated in the Guidelines of Clinical Practice).

ULO6: To demonstrate the principles of ethics in the Audiological profession.

General Assessment Information

Late Assessment Task Procedure

The procedure for the handling of late submission of assessment tasks is as follows:

- Extensions will only be granted on documented evidence of significant disruption to your studies and can be requested by completing a Special Consideration request via [ask.mq.edu.au](#) with the requisite supporting documentation.
- Unless you have been granted an extension under special consideration, a penalty of 5% of the total marks for the assessment task per day (with the weekend counting as one day) will apply to late submissions.
- Unless otherwise negotiated, assessment tasks will not be accepted at all AFTER the date on which the marked assignments are returned to students in the unit.
