Unit description

This unit is offered on a pass/fail basis. This unit is a continuation of students' development of clinical skills and aims to consolidate knowledge and practical skills in audiological assessment and audiological rehabilitation. Emphasis is placed upon students using problem-solving and critical analysis skills to apply the information they have gained throughout the unit in a clinical setting.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Extend and consolidate audiological assessment and rehabilitative skills.

**ULO2:** Create more independence and participation in clinical settings; particularly with standard caseloads

**ULO3:** Apply problem solving and critical analysis skills to the information gained throughout the course in a clinical setting.

**ULO4:** Exemplify a professional approach to audiological clinical casework.
