Unit description

This unit focuses on the synthesis and application of entrepreneurship knowledge in practice. By focusing on contemporary challenges facing entrepreneurs, students will synthesise and apply their acquired knowledge to real-world scenarios such as managing start-up ventures or corporate entrepreneurship. The unit will develop students' abilities to endorse appropriate business models and strategies to create and realise opportunities beyond the university setting.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Integrate and synthesise relevant theory from disciplines such as management, marketing and finance and apply to the entrepreneurship context.

ULO2: Critically evaluate entrepreneurship theory with reference to real-world scenarios

ULO3: Collaborate effectively with a team to develop and pitch a solution to an entrepreneurial business challenge.
