Unit description

This unit draws upon concepts from interdisciplinary sources as well as practical industry and firm-level case studies. It will introduce students to strategic decision making by providing insights on the practices and policies used for competitive advantage. Concepts developed in the unit will be applied to the solution of 'real world' problems through the use of the case studies, and other learning strategies throughout the semester.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Analyse and describe the theories and concepts relevant to international business strategy.

ULO2: Research and critique relevant theories and concepts to analyse strategic management issues in international business.

ULO3: Develop effective recommendations for successful strategy implementation.

ULO4: Critically evaluate how competitive advantage applies to international business strategy.
