Unit description

This unit exposes students to the diverse areas of intelligence and to intelligence process methodologies in a variety of contexts. It discusses the essential characteristics of intelligence systems and examines how the intelligence function fits within a dynamic national security context, situating the intelligence function within the Law Enforcement, Foreign, National Security and Military domains. The unit examines the Australian and selected international intelligence communities.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes
