General Assessment Information

All assessments should be submitted via ilearn. Scoping paper and policy analysis should be submitted via turnitin and the blog post in the appropriate blogs for each module.

Extensions will only be granted in exceptional circumstances, and will require documentary evidence such as a medical certificate to support the request for an extension. You should contact the convenor as early as possible if you think you may need an extension. While we do understand that most students are engaged in paid employment, extensions cannot be granted on this basis alone.

Late Submission Penalty

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted more than seven (7) days (incl. weekends) after the original submission deadline.
