Unit description

This unit further develops the role of reflective practice in the delivery of person-centred interprofessional health care. Using experiences from clinical physiotherapy placements and exploration of written accounts of personal experiences of health care, you will examine and reflect on interprofessional practice in Australian health care. You will also develop strategies for self-management and lifelong development within the physiotherapy profession. You will be required to draft professional development plans based on your experience and emerging interests.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Apply the philosophy and theory of reflective practice using various tools, including observational records, narratives, critical incidents, case studies and diaries. (Professional)

ULO2: Work independently and collaboratively to enhance self and peer learning, while adhering to ethical, professional, privacy and confidentiality requirements. (Professional)

ULO3: Monitor and reflect on clinical experiences with reference to the Physiotherapy Practice thresholds for Australia and Aotearoa New Zealand to identify gaps in knowledge, skills or experiences. (Professional)

ULO4: Translate reflections on physiotherapy practice to develop plans to address identified gaps in professional knowledge, skills, practice and/or experience, both as an independent practitioner and as a member of a multidisciplinary team. (Professional)

ULO5: Identify and discuss emerging professional interests, and strategies for optimising performance and achieving professional goals. (Professional)

Assessment Tasks

Coronavirus (COVID-19) Update

Assessment details are no longer provided here as a result of changes due to the Coronavirus (COVID-19) pandemic.

Students should consult [iLearn](#) for revised unit information.

[Find out more about the Coronavirus \(COVID-19\) and potential impacts on staff and students](#)

General Assessment Information

Information concerning Macquarie University's assessment policy is available at http://mq.edu.au/policy/docs/assessment/policy_2016.html. Grade descriptors and other information concerning grading requirements are contained in Schedule 1 of the Macquarie University Assessment Policy.

To pass this unit, you must demonstrate sufficient evidence of achievement of the learning outcomes. Further details for each assessment task will be available on iLearn, including marking rubrics.

All final grades in the Faculty of Medicine and Health Sciences are determined by the Faculty of Medicine and Health Sciences Assessment Committee, and are approved by the Faculty Board. They are not the sole responsibility of the Unit Convenor. Students will be awarded an Assessment Grade plus a Standardised Numerical Grade (SNG). The SNG is not necessarily a summation of the individual assessment components. The final grade and SNG that are awarded reflect the corresponding grade descriptor in Schedule 1 of the Assessment Policy.

You will be awarded one of these grades plus a Standardised Numerical Grade (SNG). The SNG is not necessarily a summation of the individual assessment components. The final grade and SNG that are awarded reflect the corresponding grade descriptor in Schedule 1 of the Assessment Policy. If there is a lack of sufficient evidence demonstrating that a student has met the required level of achievement in all learning outcomes they will be awarded a Fail grading with an assigned mark of 49 or less.

Extensions for Assessment Tasks

Applications for assessment task extensions must be submitted via www.ask.mq.edu.au. For further details please refer to the Special Considerations Policy available at <https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/special-consideration>

Late Submission of Work

All assignments which are officially received after the due date, and where no extension has been granted by the unit convenor or course director, will incur a deduction of 10% for the first day, and 10% for each subsequent day including the actual day on which the work is received. Assessments received 5 days or more beyond the due date, without an approved extension, will be awarded a maximum of 50% of the overall assessment marks. Weekends and public holidays are included. For example:

| Due Date | Received | Days Late | Deduction | Raw Mark | Final Mark |
|--------------|--------------|-----------|-----------|----------|------------|
| Friday, 14th | Monday, 17th | 3 | 30% | 75% | 45% |

Delivery and Resources

Coronavirus (COVID-19) Update

Any references to on-campus delivery below may no longer be relevant due to COVID-19.

Please check here for updated delivery information: https://ask.mq.edu.au/account/pub/display/unit_status

Unit Organisation

This is a four credit point unit run over 20 weeks alongside PHTY8200-8202 Clinical Physiotherapy Placement I,II,III . It is an online unit with no weekly lectures or tutorials. You will need to have access to a reliable internet connection in order to retrieve unit information & to submit assessment tasks via iLearn. Further information is available via the PHTY8203 RPPD iLearn site <http://ilearn.mq.edu.au>

Teaching and Learning Strategy

This unit uses an iLearn site to promote discussion and peer learning regarding experiences on clinical physiotherapy placements. Contributions to the online learning environment are to be constructive to enhance self and peer learning and must adhere to the University's, ethical, professional, privacy and confidentiality requirements. It is a breach of policy to discuss clinical placements in forums (ie social media) and non-professional settings. Breaches of this policy are seen as professional misconduct and may result in disciplinary action.

Textbooks and Readings

There is no essential textbook for this unit, however recommendations about helpful readings and other resources are be listed on iLearn.

Technology and Equipment

Off-campus

As this is an online unit of study conducted off campus whilst undertaking placement units you will need to have access to a reliable internet connection in order to retrieve unit information & at times to submit assessment tasks via iLearn.
