Unit description

This unit provides students with practical opportunities to further develop their translation competence. Students will practice translating a range of domain-specific texts common in professional practice. The unit takes a problem-based approach encouraging students to identify and discuss problems encountered in the course of translation related to textual, stylistic, register, and language usage issues. Students will learn about, apply and evaluate strategies to solve the more challenging translation problems.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Apply translation skills and knowledge to translate texts in a range of domains and genres.

ULO3: Demonstrate critical analysis of source and target texts.

ULO4: Explain translation choices informed by translation theory and self-reflection.

ULO2: Undertake domain and genre specific research for the purpose of translation.

ULO5: Evaluate, edit and revise target texts.

ULO6: Work efficiently in a team through peer evaluation.

ULO7: Apply knowledge of professional ethics to translation tasks.
