Unit description

Social entrepreneurship is defined as using business knowledge, tools and entrepreneurial principles to address social and environmental challenges. A social entrepreneur is someone who recognises a social problem and uses entrepreneurial principles to organise, create, and manage a venture to make social change. The unit will focus on concepts, models and practices related to social entrepreneurship and social sector leadership. It will provide students with knowledge and tools on social entrepreneurship; managing resources; measuring and communicating social impact; and creating business models for social enterprises.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Identify and describe concepts, models and frameworks of social entrepreneurship in order to innovate, initiate and lead social enterprises.

ULO2: Apply tools and frameworks to sustain a social enterprise and support social impact, both as an individual and as part of a group.

ULO3: Integrate ethical concepts, social and environmental factors into business

management and decision-making

ULO4: Develop the capacity to assess and report social impact to a variety of stakeholders.
