Unit description

Entrepreneurial Finance examines the theory and practice associated with the financing of new ventures. This unit explores sources of funding, risk, venture capital financing terms and models, value creation, and exits. This study of entrepreneurial finance will enhance your ability to finance and launch new ventures, from both the viewpoints of the entrepreneur and external investors.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Analyse the financial aspects of new venture business strategy and planning to choose the best source of financing.

ULO2: Explore the role of diverse mindsets of different cultures and markets in how investors may view opportunities.

ULO3: Assess and integrate ethical, social and environmental considerations for responsible new venture financing.

ULO4: Analyse stakeholder relationships to generate new venture finance strategies that create and deliver sustainable value across complex networks.

Assessment Tasks

Coronavirus (COVID-19) Update

Assessment details are no longer provided here as a result of changes due to the Coronavirus (COVID-19) pandemic.

Students should consult [iLearn](#) for revised unit information.
