Unit description

This unit is concerned with the analytical techniques of international finance and investment. Topics include global flow of funds and international financial markets, foreign exchange markets, interest parity, arbitrage and currency speculation, purchasing power parity, real effective exchange, commodity swaps, short and long-term hedging of foreign currency risks, futures and options in currencies. Students will be equipped with the skills to critically analyse international currency and interest rate hedging activities as well as distinguish between international funding sources.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critically analyse current changes in global financial markets that impact on international financial management, in particular exchange rate risk, capital structure and operational risks.

ULO2: Examine new and current investment techniques, markets and risk management models.

ULO3: Evaluate advanced concepts relating to foreign exchange, financial derivatives, transaction exposure, capital structure and international portfolio theory.

ULO4: Develop and apply teamwork skills to attain effective and professional group outcomes.

Assessment Tasks

Coronavirus (COVID-19) Update

Assessment details are no longer provided here as a result of changes due to the Coronavirus (COVID-19) pandemic.

Students should consult [iLearn](#) for revised unit information.

[Find out more about the Coronavirus \(COVID-19\) and potential impacts on staff and students](#)

General Assessment Information

“It is the responsibility of students to view their marks for each within session assessment on iLearn within 20 working days of posting. If there are any discrepancies, students must contact the unit convenor immediately. Failure to do so will mean that queries received after the release of final results regarding assessment marks (not including the final exam mark) will not be addressed.”

Assessment criteria for all assessment tasks will be provided on the unit iLearn site.

No extensions will be granted. Students who have not submitted the task prior to the deadline will be awarded a mark of 0 for the task, except for cases in which an application for special consideration is made and approved.

Delivery and Resources

Coronavirus (COVID-19) Update

Any references to on-campus delivery below may no longer be relevant due to COVID-19.

Please check here for updated delivery information: https://ask.mq.edu.au/account/pub/display/unit_status

Classes

- Students should attend the scheduled 3 hour lectures.
- The timetable for classes can be found on the University web site at: <http://www.timetable.s.mq.edu.au/>

Prizes

- Prizes for this unit (if applicable). http://www.businessandconomics.mq.edu.au/undergraduate_degrees/prizes_scholarships

Required and Recommended texts and/or materials

- International Financial Management: 7th Edition Eun & Resnick, Publisher: McGraw-Hill Irwin Copyright
- Set chapters for each topic's lecture are drawn from this text and identified in the lecture topic table below. Students should read these chapters prior to the lecture, so that they are familiar with the material to be covered. This will greatly enhance your learning experience.
- Required texts can be purchased from the Macquarie University Co-op Bookshop.

Technology Used and Required

- Financial non-programmable calculators can be used in the unit. A financial calculator is not essential as a scientific non-programmable calculator should meet all your needs (calculation of the Internal Rate of Return (IRR) is not required in any of the assessment tasks). Note: Only non-programmable calculators without text retrieval functionality are allowed for use in the unit's assessments tasks.
- Excel or similar spreadsheeting tool will be required to complete the assignment.
- Students should have access to the internet.

Unit Web Page

- Course material and announcements are available on the learning management system (iLearn).
