Unit description This unit gives students workplace experience and professional development skills to position them to better succeed in securing employment and manage their future careers. Students undertake a placement in an organisation under the guidance of a workplace mentor/supervisor and with the support of professional and academic University staff. The unit links the workplace experience to academic theory and research to maximise the benefits of both. Assessment tasks are integrated with a range of individual and interactive learning activities. Students will gain experience of the Australian workplace environment and the ability to self-manage future professional development of generic skills and specialist knowledge. The unit contributes to the development of graduate capabilities in critical, analytical and integrative thinking and professional and personal judgement and initiative.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

- ULO1:** Develop professional skills in the workplace.
- ULO2:** Manage personal contribution to an organisation.
- ULO3:** Evaluate the application of academic learning in the workplace.
- ULO4:** Manage professional learning through reflective practice and the application of research.
