Unit description

Marketing communications are an integral part of an organization's overall marketing activities and play a critical role in determining its success in the market. Today, marketing professionals face new opportunities, but also significant challenges in communicating with consumers in an evolving media landscape and dynamic interactions between consumers and brands.

This unit develops students' skills to apply marketing communications theories and concepts to identify and analyse firms marketing communications. Students will learn to obtain and analyse data and interpret findings to make evidence-based decisions for planning effective marketing communications campaigns. Students will learn to communicate marketing communications ideas orally and in written forms to potential audiences.

## Important Academic Dates
