Unit description

In this unit students develop their ability to follow complex lines of argument in spoken and written texts in Italian in a range of genres and to identify and extract key information. The unit focuses on practicing skills in expressing and defending sophisticated arguments and opinions and employing strategies to understand and respond to unfamiliar material in preparation for applying language knowledge to social and professional situations. Students will use their judgement in decision-making around communicative tasks (written, oral, spontaneous and prepared) in meaningful everyday contexts.
