Unit description

Strategic marketing management is the driving force of successful firms. The task of competitive marketing strategy is to develop, maintain or defend a firm's competitive position. Competitive marketing strategy must be well-designed to assist a firm to effectively position its products against competitors and gain sustainable market advantages. This unit focuses on developing students' knowledge and skills to manage the firms' strategic marketing activities to sustain performance. The unit equips students with the ability to work in teams to assess marketing assets and to plan and allocate them to different marketing activities. This unit advances student ability to collaborate with colleagues to develop ethical, data driven marketing strategies for different products/services in diverse market segments.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Evaluate and select strategic marketing activities that sustain a firm's performance.

ULO3: Design and apply ethical, data driven marketing strategies for different products/ services in diverse market segments.

ULO2: Assess marketing assets and allocate them to different marketing activities.

ULO4: Develop teamwork skills and abilities.

General Assessment Information

Late assessment submissions must also be submitted through the appropriate submission link in [iLearn](#). No extensions will be granted unless an application for [Special Consideration](#) is made and approved. There will be a **deduction of 10%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

Note: Further information on submitting an Application for Special Consideration can be found at <https://students.mq.edu.au/study/my-study-program/special-consideration>

task and is subject to individual variation

Delivery and Resources

Your learning experiences in this Unit - and your expected commitment

To be successful in this unit, you must:

- **Read** all materials in preparation for your workshops, and follow up each with further study and research on the topic;
- **Start** your assessment tasks well ahead of the due date;
- Read or listen to all **feedback** carefully, and use it in your future work;
- **Attend and engage** in **all** timetabled learning experiences as follows:
 - 1 x 1.5 hour workshop per week
- **Actively participate** in online discussion forums.

ALL STUDENTS NEED TO NOTE that we use an **activity-based teaching and learning approach** in this unit. What this means is that you will need to participate fully in the workshops which will be based around activities you will be doing. To be an effective and enjoyable learning experience you **MUST PREPARE AND COMPLETE** all readings and tasks before your workshops.

Students who aim to pass this unit should be investing at least ten hours of independent study each week (as a minimum). Those who do less will receive limited value from the unit and, most importantly, are more likely to achieve a fail grade in the Unit.

Separate discussion forums are used for each of the key topic areas, and individual assessment items. Therefore, regular, dependable Internet access is mandatory for this unit with all students expected to regularly engage with, and contribute to, the unit iLearn site.

The written assessment is to be individually completed and submitted online via the unit iLearn site. All work submitted must be your own and be appropriately referenced throughout using the **Harvard style of referencing**. Specific details and instructions related to the assessment in this unit are provided online via the MKGT8080 Marketing Strategy unit iLearn site.

Unit learning resources

Your unit learning resources are available in the MKGT8080 iLearn site.
