Disclaimer

Macquarie University has taken all reasonable measures to ensure the information in this publication is accurate and up-to-date. However, the information may change or become out-dated as a result of change in University policies, procedures or rules. The University reserves the right to make changes to any information in this publication without notice. Users of this publication are advised to check the website version of this publication [or the relevant faculty or department] before acting on any information in this publication.

Notice

As part of [Phase 3 of our return to campus plan](#), most units will now run tutorials, seminars and other small group learning activities on campus for the second half-year, while keeping an online version available for those students unable to return or those who choose to continue their studies online.

To check the availability of face-to-face and online activities for your unit, please go to [timetable viewer](#). To check detailed information on unit assessments visit your unit's iLearn space or consult your unit convenor.

General Information

Unit convenor and teaching staff Peter Kavalamthara peter.kavalamthara@mq.edu.au
Credit points 10
Prerequisites Admission to MMgmt or MEngMgt
Corequisites
Co-badged status
Unit description This unit equips students with the tools and techniques required to analyse and interpret financial and economic data and financial accounting statements, analyse and assess performance of business units, evaluate investment projects, and understand financial markets and the economic environment. Finance, accounting, and economic theory is applied with the aim of providing a coherent framework and insights to assist in making reasoned managerial decisions.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

- ULO1:** Identify and describe models employed in management decision making to solve problems
- ULO2:** Apply finance, accounting and economic theories, frameworks and methods to make sound business decisions
- ULO3:** Critically analyse the implications of a firm's decisions/strategies for a range of stakeholders in view of the firm's sustainability considerations
- ULO4:** Evaluate a range of business indicators to measure and track the firm's value creation

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Report</u>	50%	No	16 October 2020
<u>Unit Preparation</u>	10%	No	16 August 2020
<u>Online Final Examination</u>	40%	No	Final Exam Period

Report

Assessment Type ¹: Report

Indicative Time on Task ²: 25 hours

Due: **16 October 2020**

Weighting: **50%**

Students are required to undertake an analysis of a range of aspects of a company listed on the Australian Stock Exchange. You are required to critically assess the health of the organisation (as aligned to its stated goals and objectives) in the context of sustainability considerations

On successful completion you will be able to:

- Apply finance, accounting and economic theories, frameworks and methods to make sound business decisions
- Critically analyse the implications of a firm's decisions/strategies for a range of stakeholders in view of the firm's sustainability considerations
- Evaluate a range of business indicators to measure and track the firm's value creation

Unit Preparation

Assessment Type ¹: Case study/analysis

Indicative Time on Task ²: 5 hours

Due: **16 August 2020**

Weighting: **10%**

Students are to review case study materials relating to a selected organisation and submit before the first class

On successful completion you will be able to:

- Identify and describe models employed in management decision making to solve problems

Online Final Examination

Assessment Type ¹: Examination

Indicative Time on Task ²: 15 hours

Due: **Final Exam Period**

Weighting: **40%**

A 2-hour online final examination for this unit will be held during the University Examination period. Students are expected to access the exam online at the time designated in the University examination Timetable.

On successful completion you will be able to:

- Identify and describe models employed in management decision making to solve problems
- Apply finance, accounting and economic theories, frameworks and methods to make sound business decisions
- Evaluate a range of business indicators to measure and track the firm's value creation

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
