Unit description

Digital marketing is increasingly a key activity that supports and supplements traditional marketing activities across all sectors. A successful digital marketing strategy offers value to both firms and consumers. Through effective digital marketing, firms will be able to expand their area of activities and more effectively achieve their business goals; consumers will achieve greater value through increasing convenience, easier access to information, customer support, as well as having access to more diverse product choices. The focus of this unit is on developing students' knowledge of digital marketing strategies, concepts, and insights to build and optimise firms' digital marketing presence. In this unit, students will develop the ability to deploy various methods of digital marketing and design a digital marketing strategic plan. Moreover, the unit will help develop students' ability to critically analyse and evaluate firms' digital marketing strategies and provide managerial solutions.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Define and apply digital marketing strategies, concepts, and insights to build and optimise firms digital marketing presence.

ULO2: Deploy various methods of digital marketing to design a digital marketing

strategic plan.

ULO3: Critically analyse and evaluate firms digital marketing strategies and provide managerial recommendations.

General Assessment Information

Late assessment submissions must also be submitted through the appropriate submission link in [iLearn](#). No extensions will be granted unless an application for [Special Consideration](#) is made and approved. There will be a **deduction of 10%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

Note: Further information on submitting an Application for Special Consideration can be found at <https://students.mq.edu.au/study/my-study-program/special-consideration>

Assessment Tasks

Name	Weighting	Hurdle	Due
Participatory task	20%	No	Week 1-Week 13
Digital Marketing Strategy Plan	40%	No	Monday of Week 7 & Weeks 12/13
Digital Marketing Report	40%	No	Monday of Week 10, 11:59pm

Participatory task

Assessment Type [1](#): Participatory task

Indicative Time on Task [2](#): 24 hours

Due: **Week 1-Week 13**

Weighting: **20%**

Participatory activities include online discussions on iLearn, in-class activities/ class and group discussions, quizzes, and Harvard Business case studies. You will work individually and in a group.

On successful completion you will be able to:

- Define and apply digital marketing strategies, concepts, and insights to build and optimise firms digital marketing presence.
- Critically analyse and evaluate firms digital marketing strategies and provide managerial recommendations.

Digital Marketing Strategy Plan

Assessment Type [1](#): Plan

Indicative Time on Task [2](#): 36 hours

Due: **Monday of Week 7 & Weeks 12/13**

Weighting: **40%**

Designing a digital marketing strategic plan for an imaginary firm (in a given industry i.e. Food industry, Fashion industry, Entertainment industry, Hospitality industry, Financial Service industry, Healthcare industry).

Individually: each student will need to propose their creative ideas and strategies on developing a digital marketing strategic plan, and submit it in week 7 (20%).

As a group: Presenting the group's final digital strategy plan to the class and a panel of digital experts (20%). Each group (3 students) should integrate the best ideas, and strategies proposed by each member in their Individual Plan, applying the lecturer's feedback, to develop and present the group's final digital marketing strategic plan, and pitch it to the class and a panel of digital experts. The top performing group(s) will be selected based on the panel's votes.

On successful completion you will be able to:

- Deploy various methods of digital marketing to design a digital marketing strategic plan.

Weighting: **40%**

The digital marketing report is an individual assessment. It focuses on conducting a critical analysis of a real-world brand's digital marketing presence, and its strategies (e.g. channel selection, audience engagement, content development, implementation and monitoring, ...), providing managerial recommendations for improving the brand's digital marketing footprint.

Students are required to support their analysis, arguments, and recommendations with appropriate referencing to academic literature. At least six (6) high-quality marketing journal articles should be incorporated.

On successful completion you will be able to:

- Define and apply digital marketing strategies, concepts, and insights to build and optimise firms digital marketing presence.
- Deploy various methods of digital marketing to design a digital marketing strategic plan.
- Critically analyse and evaluate firms digital marketing strategies and provide managerial recommendations.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

TEACHING AND LEARNING STRATEGY

- The unit is delivered in workshop format. Students are expected to be active and engaged learners, contributing fully to workshop sessions. Learning activities include individual and group tasks that are to be completed during private study and in the workshops. Students need to read in advance of workshop sessions, participate in classes and online discussion forum, be prepared to work in small groups and discuss the materials assigned each week.

The lecture notes will be posted on iLearn at <https://ilearn.mq.edu.au> on a weekly basis.

CLASSES

- There are 1.5 hr weekly workshop sessions which consist of class activities and discussions. Pre-recorded lectures will be available on iLearn prior to each workshop session.

The timetable for classes can be found on the University web site at:
<http://www.timetables.mq.edu.au/>

- Students are expected to participate in classes, be prepared to work in small groups and discuss the materials assigned each week.
- To complete this unit satisfactorily, students are expected to attend at least 80% of the scheduled classes. Attendance will be taken in class.
- Students are expected to arrive on time and not to leave until the class ends.
